Bandra Kurla Complex,  
Bandra (E), Mumbai – 400 051

**Ref: Scrip Name: ALIVUS**

Dear Sir/Madam,

**Subject: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“SEBI Listing Regulations”)**

With reference to our intimation dated February 16, 2026, in relation to fire incident that occurred on February 14, 2026, in one of the seven production blocks of the Company’s manufacturing facility located at Dahej, Bharuch district, Gujarat.

It is hereby further informed that the incident was confined to one production block and affected a portion of the intermediate manufacturing facilities. The Active Pharmaceutical Ingredient (API) manufacturing facilities in the same block remain unaffected. All other six production blocks at the Dahej site are unaffected and continue to remain fully operational.

The situation has been fully assessed and the Company expects to resume API production at the affected block from March 1, 2026, and production of intermediates from mid-March 2026. This temporary cessation of manufacturing operations will result in a few delayed shipments.

At Alivus Life Sciences, safety is of paramount importance. The Company follows stringent safety standards and protocols across its operations and continues to take all necessary precautionary measures to prevent any untoward incidents.

This is for your information and record.

Thanking You,

Yours Sincerely,  
**For Alivus Life Sciences Limited**  
(formerly Glenmark Life Sciences Limited)
