Press Release

Supreme Court allows DIAL to charge Airport Development Fee

New Delhi, April 26, 2011: The Hon. Supreme Court of India today delivered its judgment in the matter relating to the challenge of levy of Airport Development Fee[ADF] by Delhi International Airport Private Limited [DIAL]. Although the Hon. Supreme Court has allowed the Appeal of the Petitioners who had challenged the judgment of Delhi High Court upholding the levy of ADF, the Hon. Supreme Court has allowed DIAL to continue to charge ADF as per the approval granted to DIAL by the Airport Economic Regulatory Authority.

The Hon. Supreme Court has also observed that in view of the facts of the case, DIAL shall not be obliged to refund any amounts collected by it prior to the approval granted by AERA. The Hon. Supreme Court has directed that the utilization of the ADF recovered by DIAL shall be only for the purposes of development of the Delhi Airport.

About DIAL: Delhi International Airport (P) Ltd (DIAL) is a joint venture company; comprising the GMR Group, Airports Authority of India, Fraport and Malaysia Airports Holdings Berhad. DIAL is working towards the modernization and restructuring of the Delhi Airport. The project being developed by DIAL under Public Private Partnership has been given the mandate to finance, design, build, operate and maintain the Delhi Airport for 30 years with an option to extend it by another 30 years.
