GMR Energy Limited (GEL) achieves a new milestone

~ Wins the bid for Rajasthan Rajya Vidut Prasaran Nigam Ltd (RRVPNL) Power Transmission Project ~

Bengaluru, October 4, 2010: GMR Energy Limited (GEL), a subsidiary of GMR Infrastructure Limited has successfully won two bids for a **Rajasthan Rajya Vidut Prasaran Nigam Ltd (RRVPNL)** Transmission Project. The projects are awarded to GEL and are one of the first of their kind BOOM (Build Own Operate Maintain) projects for the Group.

The Group will be commissioning these projects for a concession period of 25 years that will also include an estimated period of 2 years for completion of the construction phase. The projects would include setting up of 400kms of 400KV Transmission lines with 2 power substations that will be based at Alwar and Deedwana.

About GMR Group:

GMR Group is a Bangalore headquartered global infrastructure major with interests in Airports, Energy, Highways and Urban Infrastructure. Besides its stake in InterGen, the Company has thirteen power projects of which three are operational (823 MW) and ten (7648 MW) are under various stages of implementation and nine road projects, of which six are operational (1684 Lane kms) and three are under development (1664 Lane kms). In the Airports sector, it has developed and commissioned the Greenfield International Airport at Hyderabad. The Group, besides operating and modernizing the existing Delhi International Airport, has built a brand new integrated terminal T3 which was commissioned on 3rd of July 2010. It has also built a new terminal, designed to handle 20 million passenger capacity, at the Istanbul Sabiha Gökçen International Airport in Turkey and is operating it successfully. GMR has recently won the bid to expand and operate Malé International Airport. The Group is also committed to social development initiatives and executes these through its Corporate Social Responsibility arm, the GMR Varalakshmi Foundation (GMRVF).
