Form PAS-1

[Pursuant to section 27(1) and rule(2) of Companies (Prospectus and Allotment of Securities) Rules, 2014]

Advertisement giving details of notice of special resolution for varying the terms of any contract referred to in the prospectus or altering the objects for which the prospectus was issued

Corporate Identification Number (CIN) -U24231TG2001PLC036043

Name of the company- **SAI PARENTERALS LIMITED**

Registered office address- Plot No. 39, 5th Floor Lavanya Arcade, Jayabheri Enclave, Hyderabad, Telangana, 500032

Notice is hereby given that by a resolution dated 11th August, 2026 the Board has proposed to vary the objects for which prospectus dated March 28th, 2026 was issued in connection with issue of 1,04,28,288 equity shares at an issue price of Rs. 392/- per equity share aggregating to Rs. 409 Crores Only.

In pursuance of the said resolution, further notice is hereby given that, for approving the said proposition, a special resolution is required to be passed by way of postal ballot or at a meeting of the shareholders.

The details regarding such variation/alteration are as follows:

1) **Particulars of the terms of the contract to be varied (or objects to be altered)-**
(Rs. in million)

S. No.	Original objects of the IPO as stated in Prospectus	Amount raised	Amount utilised as on 30.06.2026	Unutilized IPO proceeds	Amount/Details of variation in objects
1	Capacity expansion and upgradation of manufacturing facilities	1,107.95	68.05	201.56	Rs.838.34 million shall be utilized towards acquisition of 60% Equity Shares in Saiicriti Pharma Private Limited
2	Establishment of a new R&D Centre	180.23	0	180.23	Rs.180.23 million shall be utilized towards acquisition of 60% Equity Shares in Prathyak Laboratories Private Limited

2) **Particulars of the proposed variation/alteration-**

- By utilising Rs.838.34 million, out of the Rs.1,107.95 million originally allocated towards Object 1, for the acquisition of a 60% equity stake in Saiicriti Pharma Private Limited.
- By utilising Rs.180.23 million, originally allocated towards Object 2, for the acquisition of a 60% equity stake in Prathyak Laboratories Private Limited.

3) **Reasons/justification for the variation-**

Object 1: Capacity expansion and upgradation of manufacturing facilities:

The Government of Telangana vide G.O. Ms. No. 27 dated 22.11.2025 has introduced the Hyderabad Industrial Lands Transformation Policy (HILTP) with the objective of facilitating the phased relocation of manufacturing industries from the Core Urban Region of Hyderabad to newly developed industrial clusters located outside the Outer Ring Road (ORR). In view of these policy developments, the Company considered the regulatory position regarding approvals for further upgradation of manufacturing facilities located within the identified areas while evaluating its future manufacturing expansion plans.

In parallel, the Company undertook a comprehensive technical, financial and regulatory feasibility assessment to evaluate more efficient strategic alternatives to the proposed upgradation of its existing sterile injectable manufacturing facilities. Based on this assessment, the Company identified the development of a new state-of-the-art sterile injectable manufacturing facility outside the Outer Ring Road (ORR) as a more suitable and strategically advantageous alternative for achieving the underlying objectives disclosed in the Prospectus.

During this strategic evaluation, the Company identified an opportunity to acquire a controlling 60% equity stake in Saiicriti Pharma Private Limited, which is constructing a state-of-the-art critical care injectable manufacturing facility at Gummadidala, Hyderabad, designed to meet international regulatory standards including EU-GMP and USFDA.

Object 2: Establishment of a new R&D Centre:

The Company proposes to acquire a 60% equity stake in Prathyak Laboratories Private Limited ("Prathyak"). Prathyak has established pharmaceutical R&D organisation at Genome Valley, Hyderabad. The proposed acquisition will provide the Company with immediate access to an existing R&D facility, experienced scientific personnel, specialised research capabilities and an ongoing product development pipeline. Instead of setting up a new R&D Centre from the ground up, the Company proposes to acquire an established R&D platform that is expected to achieve the same objectives in a shorter timeframe and with lower execution risk.

4) Effect of the proposed variation/alteration on the financial position of the company-

The proposed variation will not result in any increase in the total amount of the IPO proceeds proposed to be utilised for the respective objects. The Company proposes to utilise Rs.838.34 million, out of the amount originally earmarked for capacity expansion and upgradation of manufacturing facilities, towards the acquisition of a 60% equity stake in Saiicriti Pharma Private Limited. Similarly, Rs.180.23 million, originally allocated for establishment of the Research and Development (R&D) Centre, will be utilised towards the acquisition of a 60% equity stake in Prathyak Laboratories Private Limited.

Accordingly, the proposed variations do not involve any additional utilisation of the IPO proceeds beyond the amounts originally approved by the shareholders. Instead, it changes the mode of implementation of the approved objects by utilising the allocated funds for acquiring controlling stakes in established businesses that are expected to achieve the same strategic objectives.

5) Major Risk factors pertaining to the new Objects-

a) The proposed acquisition of a 60% equity stake in Saiicriti Pharma Private Limited is subject to execution of definitive agreements, receipt of statutory and regulatory approvals, fulfilment of customary conditions and completion of the transaction. Any delay in these processes may impact the proposed implementation timeline. Since the manufacturing facility is currently under development, there may be delays in construction, installation of equipment, validation activities or receipt of regulatory approvals required for commencement of commercial production. Following completion of the acquisition, the Company will also undertake integration of the operations and systems of Saiicriti Pharma Private Limited with its own. The continued involvement of the existing promoters, who will retain a 40% equity stake, is expected to support a smooth transition and continuity in project execution.

Further, as disclosed under Risk Factor No. 13 on pages 45 and 46 of the Prospectus, the operations at Unit I and Unit II are proposed to remain suspended until the commencement of commercial operations at the manufacturing facility of Saiicriti Pharma Private Limited.

b) The proposed acquisition of a 60% equity stake in Prathyak Laboratories Private Limited is subject to execution of definitive agreements, completion of due diligence, receipt of statutory and regulatory approvals, fulfilment of customary conditions precedent and completion of the transaction. Any delay in satisfying these requirements may impact the proposed implementation timeline. Following completion of the acquisition, the Company will integrate Prathyak's operations, management systems, quality processes and business functions with its own. Effective integration will be important to realise the expected benefits of the acquisition. The Company will also be dependent on retaining Prathyak's experienced scientific personnel and technical expertise, which are integral to its research and development capabilities and ongoing product development programmes.

6) Names of Directors who voted against the proposed variation/alteration-None

Any interested person may obtain the copy of the special resolution along with the explanatory statement free of charge at the registered office of the company or at the office of its Company Secretary Ms. Shivali Aggarwal at the registered office of company or visit the website of the Company <https://www.saiparenterals.com/> for a copy of the same.
