IndAS:

IRDAI has mandated that all insurers adopt Indian Accounting Standards (IndAS) beginning 1 April 2026. In preparation for this transition, our company has prepared and got audited IndAS financials as special purpose financial statements for the financial year 2025-26.

Profitability (IndAS):

- Profit before tax (only with DAC) for the Q4 2026 stood at ₹239 cr, compared to ₹ 142 cr in Q4 2025, grew by 68.3%.
- Profit after tax (only with DAC) for the Q4 2026 stood at ₹ 179 cr, compared to ₹ 106 cr in Q4 2025, grew by 68.9%.

Combined Ratio (IndAS): -

- Combined Ratio on NEP with DAC for Q4 2026 is 105.8%, as compared to 106.8% in Q4 2025
- Combined Ratio for Q4 2026 is 99.1%, as compared to 101.3% in Q4 2025

Premium Income: -

- In Q4 2026, Gross Direct Premium of the Company stood at ₹ 2,402 cr compared to ₹ 1,981 cr in Q4 2025, recording a growth of 21.3%
- In Q4 2026, Gross Written Premium of the Company stood at ₹ 2,736 cr compared to ₹ 2,576 cr in Q4 2025, recording a growth of 6.2%

Assets Under Management: -

- As on March 31, 2026, assets under management ₹ 22,922 cr, compared to ₹ 19,703 cr as at March 31, 2025, increased by ₹ 3,219 cr, having a growth of 16.3%.

Solvency: -

- Solvency ratio was at 2.42x as at March 31, 2026 as against 2.24x as at March 31, 2025, higher than the minimum regulatory requirement of 1.50x.

IGAAP:

Profitability:

- Profit before tax for the Q4 2026 stood at ₹173 cr, compared to ₹ 116 cr in Q4 2025, grew by 49.1%.
- Profit after tax for the Q4 2026 stood at ₹ 149 cr, compared to ₹ 116 cr in Q4 2025, grew by 28.4%.

Combined Ratio (IGAAP): -

- Combined Ratio for Q4 2026 is 111.6% with 1/n, as compared to 111.3% with 1/n in Q4 2025
- Combined Ratio for Q4 2026 is 109.4% without 1/n, as compared to 109.7% without 1/n in Q4 2025

About the Company

We aim to make insurance simple. Through innovation and transparency, we believe in delivering a seamless customer experience journey in a significant financial product an individual would purchase in their lifetime. We are one of the leading digital full stack insurance companies, leveraging our technology to power what we believe to be an innovative approach to product design, distribution and customer experience for non-life insurance products. We offer motor insurance, health insurance, travel insurance, property insurance, marine insurance, liability insurance and other insurance products, which the customers can customize to meet their needs.

Disclaimer:

This investor presentation may contain certain words or phrases in writing or otherwise which are not statements of historical facts and may be described as "forward-looking statements". These forward-looking statements generally can be identified by words or phrases such as "aim", "anticipate", "are likely", "believe", "continue", "can", "shall", "could", "expect", "estimate", "intend", "may", "likely" "objective", "plan", "project", "propose", "seek to", "will", "will continue", "will achieve", "will likely", "will pursue" or other words or phrases of similar import. Similarly, statements that describe our Company's strategies, objectives, plans or goals, financial and operating projections are also forward-looking statements.

All forward-looking statements are subject to risks, uncertainties, expectations and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Actual results may differ materially from those suggested by the forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to the industry in which our Company operates and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India and globally which have an impact on our business activities, investments, or the industry in which we operate, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations, taxes, changes in competition in the industry in which we operate and incidents of any natural calamities and/or acts of violence.

Forward-looking statements reflect the current views of our Company as of the period of these results and are not a guarantee of future performance. These statements are based on our management's beliefs, assumptions, current plans, estimates and expectations, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect. We undertake no obligation to update forward-looking statements to reflect events or circumstances after the date there.

Business Strengths

- High-quality customer experience
- Focus on empowering distribution partners
- Predictive underwriting models
- Advanced technology platform
- A nimble organization with a skilled and experienced management team

ESG Initiatives

Environmental Factors:

- ✓ The Company endeavors to optimize energy consumption across its offices through the adoption of energy-efficient systems and responsible resource management practices.
- ✓ The Company promotes prudent paper usage by encouraging digital documentation, electronic communication, and paperless operations.
- ✓ Water conservation measures, including the installation of water-saving fixtures such as sensor-based taps, have been implemented to minimize water wastage.
- ✓ The Company encourages the use of reusable or biodegradable alternatives for utensils and packaging to reduce environmental impact.
- ✓ The Company has made an investment in Green Bonds.

Social Factors:

- ✓ The Digit mobile application offers a dedicated assistance helpline, access to medical professionals, and emergency and ambulance services, thereby enhancing access to healthcare resources and support services for customers.
- ✓ The Company places strong emphasis on employee mental well-being, work-life balance, and provides comprehensive health insurance benefits to its workforce.
- ✓ The Company offers index-based parametric insurance products addressing risks related to pollution, heat, and moisture, supporting climate resilience and risk mitigation.
- ✓ The Company maintains a zero-tolerance approach towards discrimination, child labour, forced labour, and unethical practices across all its operations.

Governance factors:

- ✓ The Company has adopted a comprehensive Code of Conduct applicable to its Directors, Senior Management, and employees, which sets out standards for ethical conduct, integrity, and compliance.
- ✓ ESG-related matters are overseen by the Risk Management Committee and the Corporate Social Responsibility Committee of the Board, within the scope of their respective roles and responsibilities.
- ✓ The Company has in place Board-approved policies, including a Climate Risk Policy and an ESG Policy, to guide sustainable business practices and effective management of environmental, social, and governance risks.

Thank You
