Dear Sir/Madam,

Ref.: Your email dated 13th January, 2026

Sub: Clarification regarding discrepancy in XBRL Financial Results for the Quarter ended 30th September 2025.

This is in reference to your email dated 13th January 2026 regarding the discrepancy observed in our XBRL financial results submission for the quarter ended 30th September 2025. We understand that the filing was inadvertently marked as "Half-Yearly" instead of "Quarterly."

We acknowledge that due to an inadvertent clerical error in the XBRL tagging process, the reporting type was wrongly selected as "Half-Yearly". Consequently, the figures reflected in the XBRL document covered the six-month cumulative period rather than the specific three-month performance required for the Quarterly reporting mandate.

Upon receiving your observation, the company has taken the following steps:

1. We have generated a fresh XBRL document with the correct "Quarterly" reporting type and period-specific figures.
2. The corrected XBRL file has been uploaded to the NEAPS LISTING portal today, 2nd February 2026, under Acknowledgement Number 139680 & 139678.
3. We have verified that the revised XBRL data now matches the physical PDF results already submitted to the exchange.

We confirm that there is no change in any financial figure part in the entire file. It happened only due to the reason that, previously, the Secretarial department staff was used to upload all compliance on half yearly basis only. We regret the inconvenience caused and assure you of our continued commitment to accurate regulatory reporting. We request you to take the revised filing on record.

Thanking you.

Yours faithfully,

For, Goldstar Power Limited
