**Subject: Reply to NSE Query Dated 12 February, 2026 - Clarification on EPS Discrepancy in Standalone XBRL Financial Results**

Dear Sir/Madam,

With reference to the observation received from the Exchange regarding discrepancy in the EPS disclosed in the standalone XBRL financial results submitted for the Outcome of Board Meeting dated February 07, 2026, we wish to submit the following clarification:

The Company has reviewed the XBRL filing and noted that the discrepancy in the Earnings Per Share (EPS) figure was due to an inadvertent clerical error at the time of data entry in the XBRL utility. We hereby confirm that there is no change in the financial results approved by the Board and already submitted in PDF format to the Exchange.

The corrected XBRL file reflecting the accurate EPS figures has now been duly filed on the NEAPS portal under the Result Adequacy & Accuracy module.

We request you to kindly take the same on record and oblige.

Thanking you,

Yours faithfully,

**For Goldstar Power Limited**
