Dear Madam/ Sir,

Sub: Intimation under Regulation 30 (4) Schedule III Part B of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Ref: Email dated 24th May 2021 of NSE

This is with reference to the letter dated 18th May 2021 submitted by Gujarat Pipavav Port Limited ('the Company') intimating the Exchange about Cyclone Tauktae and suspension of Port Operations.

The Company has received email from NSE on 24th May 2021 asking for certain clarifications. The response to those clarifications is as follows:

1. Expected quantum of loss/damage caused:

The Structural Strength assessment of civil structures is yet to be carried out. Similarly, the power supply for cranes is yet to happen. Only once the cranes are powered it will be known whether they are functional or not. The insurance survey is also currently in progress. In view of these circumstances, the Company is unable to quantify the loss/ damage caused. The Company shall keep the Exchanges updated upon having clarity on these matters.

2. Whether loss/damage covered by insurance or not including amount

The Company has a comprehensive Port Insurance Policy and all its assets are covered. As mentioned above, the Insurance survey is currently in progress.

Trust this clarifies.

Thank you,

Yours truly,
For **Gujarat Pipavav Port Limited**
