Sub: Reply to Clarification sought on significant movement in the price of the security of the Company across Exchanges, in the recent past.

Dear Sir,

This is with reference to your letter reference no Ref. No.: NSE/CM/Surveillance/8145 dated 12th April, 2019 in connection with the captioned subject. In this regard we wish to submit that the Company is aware of the provisions of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and always intimates promptly all events, information etc. that have a bearing on the operation/ performance of the Company including all price sensitive information to the Exchanges .

In the recent past there were no such an events or information which have a bearing on the operation/ performance of the Company including any price sensitive information and we are not aware of any such price sensitive information which is required to be intimated to the Stock Exchanges as per Regulation 30 and that has not been intimated.

Therefore, the movement of price in the security of the Company is purely due to market condition and absolutely market driven.

We hope the above clarifies your query.

Thanking You,

Yours faithfully,

For **GPT Infraprojects Limited**
