Dear Sir/Madam,

Ref: Intimation under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

This is to bring to your notice that the Distribution Licensees of Haryana and GRID Corporation of Odisha Ltd. ("GRIDCO") (agency for bulk procurement on behalf of Distribution Licensees of Odisha) had approached Supreme Court challenging common Judgment dated 20 December 2019 of the Appellate Tribunal for Electricity ("Tribunal"), in the matter of proportionate allocation of Linkage Coal (and resultantly allocation of additional cost of coal procured to meet shortage of supply under linkage) amongst the three DISCOMs to whom GMR Kamalanga Energy Limited ("GKEL") a subsidiary of the Company was supplying power. The Supreme Court pronounced its Judgment on 8th September 2025 and dismissed the Civil Appeals filed by the Distribution Licensees of Haryana and GRIDCO. Supreme Court upheld the Judgment dated 20th December 2019 of the Tribunal and confirmed GKEL's position that linkage coal received is to be allocated on pro-rata basis among the beneficiaries of the Project.

It may be noted that GKEL has Power Purchase Agreements ("PPAs") with three State DISCOMs, i.e., Haryana, Bihar and Odisha. Pending disposal of this matter by Supreme Court, Haryana Discoms have been making part payment against such additional costs, the balance amount would now stand recoverable along with applicable interest as per terms of the PPA.

The Judgement copy of Hon'ble Supreme Court of India dated September 08, 2025 is available at:

https://api.sci.gov.in/supremecourt/2020/6229/6229_2020_1_1501_64090_Judgement_08-Sep-2025.pdf

It may be further noted that the above judgement pertains to the subsidiary of the Company, the Company not being directly involved and considerable time required towards understanding and assessment of the judgement.

Request you to please take the same on record.

Thanking you.
