Sub: Update on CDP Rating for Granules India Limited

Dear Sir/Mam,

We are pleased to inform you that Granules India Limited has received its official 2025 CDP (Carbon Disclosure Project) rating.

The Company had achieved the highest “A” rating in **Climate Change**, reflecting a two-level improvement from the “B” rating received in 2024. Furthermore, the Company had achieved a “B” rating in Water Security and a “B-” rating in Forests in the first disclosure.

This underscores the Company’s continued commitment to Sustainability and Climate responsibility.

CDP’s rating scale includes four categories: **Disclosure (D-/D)**, indicating the initial stage of environmental engagement; **Awareness (C-/C)**, reflecting a level of environmental engagement; **Management (B-/B)**, signifying effective management of environmental impacts; and **Leadership (A-/A)**, representing industry leadership in environmental sustainability.

About CDP:

The **Carbon Disclosure Project (CDP)** is a global non-profit organisation that promotes transparency in environmental reporting, helping companies and organisations disclose their impacts on climate change, water security, and deforestation. By providing valuable insights through CDP ratings, it enables investors, companies, and stakeholders to make informed decisions and take action towards a more sustainable future.

This is for your information and dissemination to the members of the exchange.

Thanking You.

Yours sincerely,

For GRANULES INDIA LIMITED
