Dear Sir,

Sub: Disruption at our Vilayat (Gujarat) Project due to floods

We write to inform you that due to unexpected floods at Vilayat in Gujarat, in the last week of September, 2013:

a) the work at our Greenfield Viscose Staple Fibre project has been hampered, affecting the project commissioning schedule, and

b) the operations of our Chemical plant are suspended due to floods affecting the plant/ power supply. This, however, is not likely to have any significant impact on the Company's profitability, considering the present contribution of this plant to overall profitability.

We will inform you once the operations are resumed.

The assets of the Company are adequately insured.

Thanking you,

Yours faithfully,

Ashok Malu
Company Secretary
