### About Greaves Cotton Limited:

With a legacy of over 165 years, Greaves Cotton Limited is a diversified, future-ready engineering company delivering innovative and sustainable solutions to customers across key sectors. Renowned for its precision engineering and technology leadership, the Company's growth strategy is anchored on three core dimensions: accelerating its core businesses, building new muscle onto the core, and expanding into new horizons across Energy Solutions, Mobility Solutions, and Industrial Solutions.

As one of India's largest manufacturers of single-cylinder diesel engines, and a pioneer in introducing them for microcar applications in the European market, Greaves continues to reinforce its commitment to accessible, efficient, and reliable mobility. The Company also has a longstanding association with the Indian armed forces, with its products supporting a range of defence and naval applications, embodying its role in industrial advancement and nation-building. Guided by its purpose of 'Empowering Lives', Greaves is committed to providing reliable products, sustainable technology, and customer-centric solutions. With its strong engineering foundation and continuous innovation, the Company aims to enable people, businesses, and communities to progress with confidence in a future rooted in engineering excellence and driven by efficient energy.

The investee companies of Greaves include Greaves Electric Mobility Limited (GEML) with its diverse portfolio of electric 2 & 3 wheelers for passenger and cargo mobility, and Greaves Finance Limited (GFL) with ev.fin, a 100% EV focused NBFC that leverages cutting-edge technology to offer customised financing options & seamless buying experience. Both these businesses play a significant role in accelerating EV adoption in India.
