CHARGES REFUTED AMID ONGOING USTR PROBE

No 'overcapacity' in steel, textiles: Govt

FE BUREAU
New Delhi, June 10

AMID THE ONGOING investigation by the US Trade Representative (USTR) into structural excess capacities and production in manufacturing sectors, a senior Commerce Ministry official asserted on Wednesday that India does not have surplus capacity in textiles and steel sectors. The official noted that per capita consumption of these products in the country remains among the world's lowest.

"We do not think we have overcapacity in the textiles sector. Our per capita consumption of all kinds of textile products is abysmal, particularly in manmade fibres and technical textiles. "In steel also, our per capita consumption is low. We may be the second largest producer of steel, but compared to our population, our economic and growth imperative, it's one of the lowest," said Amitabh Kumar, Director General of Trade Remedies and Additional Secretary in the Commerce Ministry.

The statement is significant given that the US, UK and the EU are taking steps to curb steel imports to their territories.

AMITABH KUMAR,
DIRECTOR GENERAL OF TRADE REMEDIES

Our per capita consumption of all kinds of products is abysmal

Modi, Trump may meet at G7
PRIME MINISTER NARENDRA Modi is likely to hold bilateral talks with US President Donald Trump on the sidelines of the Group of 7 summit, with trade, visas and energy cooperation set to be high on the agenda, an Indian government source said. The June 15 to 17 summit, in the French town of Evian-les-Bains, will bring together leaders from the world's major economies, including Trump, alongside other high-level delegations from countries including India. —REUTERS

ries. Due to its massive infrastructure pipeline and rapid urbanisation, India has one of the steepest rates of steel consumption growth globally. The country is projected to increase its share of world steel demand in the coming decades. The USTR opened the investigation in March against India, China, the European Union, Singapore, Switzerland, Norway, Indonesia, Malaysia, Cambodia, Thailand, Korea, Vietnam, Taiwan, Bangladesh, Mexico and Japan over policies that aid overcapacity and production, hurting American businesses.

Urea prices crash in latest import tender

HARISH DAMODARAN
New Delhi, June 10

IN A RELIEF for India, the state-owned National Fertilizers Limited's (NFL) latest tender for import of 1.7 million tonne (MT) of urea has received landed price (cost plus freight) quotes of \$444.9-449.3 per tonne. This is less than half the winning landed price bids of \$935-959 per tonne for an earlier tender issued by Indian Potash Limited (IPL) for import of 2.5 MT.

Industry sources attributed the lower price quotes in the latest tender mainly to China issuing export quotas for urea. "China partially lifting export restrictions has not only eased soaring global prices, but also come at the right time with kharif (monsoon) crop plantings underway," a source said.

The NFL tender, which was issued on May 27 and opened on June 8, received bids for a total of 6.25 MT. That included 3.17 MT for supplying to the country's eastern ports and 3.08 MT to the western ports. The lowest bids were at \$444.9 per tonne, by Aditya Birla Global Trading for delivery to the eastern coast, and at \$449.3 per tonne by Ameropa Asia for delivery to the western coast.

Govt extends credit guarantee for MFIs

FE BUREAU
New Delhi, June 10

THE CENTRE HAS extended the validity of the Credit Guarantee Scheme for Microfinance Institutions-2.0 (CGSMFI-2.0) till August 31, 2026, or until guarantees for an amount of ₹20,000 crore are issued, to ensure better utilisation of the scheme by microfinance institutions (MFIs).

It also approved an increase in the maximum loan amount for large-sized non-banking financial companies (NBFC-MFIs) and MFIs from ₹300 crore to ₹1,000 crore, under the overall ceiling of 20% of assets under management (AUMs).

The government introduced the CGSMFI-2.0 scheme on March 20 this year to provide guarantee cover to banks or financial institutions through the National Credit Guarantee Trustee Company Limited (NCGTC) against expected losses on the financial assistance extended by them to NBFC-MFIs and MFIs for on-lending to small borrowers. As of date, loans totalling just

₹770 crore have been sanctioned under the scheme.

The extension in validity and increase in maximum loan amount capped to large-sized NBFC-MFIs/MFIs is expected to result in better utilisation of the scheme and facilitate increased credit flow to the MFI sector.

Under the scheme, existing or new small borrowers within the regulatory definition of micro finance as prescribed by the Reserve Bank of India from time to time. Guarantee coverage is 80% of the amount in default for small, 75% for medium and 70% for large NBFC-MFIs/MFIs.

The guarantee fee is 0.50% per annum, on sanctioned amount for the first year and outstanding amount thereafter.

Interest rate is capped at external benchmark lending rate or marginal cost of funds-based lending rate + 2% per annum, on loans by lending institutions to NBFC-MFIs or small borrowers, these MFIs/NBFC-MFIs shall cap the interest rate at 1% below the average rate of lending in the past 6 months.
