MOVE PROMPTS ANGRY RESPONSE FROM ISRAEL

UK, Canada, Australia recognise Palestinian state despite objection

ASSOCIATED PRESS
London, September 21

THE UK, AUSTRALIA and Canada formally recognised a Palestinian state on Sunday, prompting an angry response from Israel, which ruled out the prospect.

The coordinated initiative from the three Commonwealth nations and long-time allies reflects growing outrage at Israel's conduct of the war in Gaza and the steps taken by the Israeli government to thwart efforts to create a Palestinian state, including by the continued expansion of settlements in the West Bank.

British Prime Minister Keir Starmer, who has faced pressure to take a harder line on Israel within his own governing Labour Party over the deteriorating situation in Gaza, said the UK's move is intended "to revive the hope of peace for the Palestinians and Israelis."

He insisted it wasn't a reward for Hamas, which was behind the attack on October 7, 2023, in which the militants killed some 1,200 people and abducted 251 others.

"Today, to revive the hope of peace and a two-state solution, I state clearly as prime minister of this great country that the United Kingdom formally recognizes the state of Palestine," Starmer said in a video message.

"We recognised the state of Israel more than 75 years ago as a homeland for the Jewish people. Today we join over 150 countries who recognize a Palestinian state also."

The UK announcement was widely anticipated after Starmer said in July that the U.K. would recognise a Palestinian state unless Israel agreed to a ceasefire in Gaza, allowed the United Nations to bring in aid and took other steps toward long-term peace.

More countries are expected to join the list recognising a Palestinian state at the UN General Assembly this week, including France, which like the UK, is one of the five permanent members of the Security Council.

Ahead of Sunday's announcement, Trump said he disapproved of the UK's anticipated move.

For the Palestinians, President Mahmoud Abbas stressed that Sunday's moves constitute an important and necessary step toward achieving a just peace in accordance with international law. The UK and France have a historic role in the politics of the Middle East over the past 100 years, having carved up the region following the defeat of the Ottoman Empire in World War I.

French mayors fly Palestinian flags despite govt order

SOME FRENCH MAYORS have defied government orders and flown Palestinian flags on town halls, with more expected to follow suit as France prepares to formally recognize a Palestinian state at the United Nations General Assembly.

It's unclear how many cities will join the initiative on Monday after Socialist leader Olivier Faure's call to fly the flags despite warnings from the Interior Ministry against such displays in a country with both Europe's largest Jewish and Muslim populations.

But the call has been gaining momentum as Palestinian flags have been more and more visible in France over the nearly two-year war in Gaza.

Palestinian banners were on display in demonstrations this week during a big day of protests across the country that criticised several polices by French President Emmanuel Macron and his government.

The Palestinian flag has been flying at the town hall of Malakoff, a suburb of Paris, since Friday.

Israeli Prime Minister Benjamin Netanyahu says the establishment of a Palestinian state "will not happen."

Netanyahu put out an angry statement after Britain and other Western allies said they were unilaterally recognising a Palestinian state in a step seen as a show of displeasure with Israel.

Murdochs, Michael Dell potential partners in TikTok deal

PRESIDENT DONALD TRUMP said on Sunday that business leaders Lachlan Murdoch, Larry Ellison and Michael Dell would be involved as US investors in a proposed deal to keep TikTok operating in the United States.

Trump has said the U.S. and China have made progress on a deal requiring TikTok's American assets to be transferred to US owners from China's ByteDance.

Murdoch, the CEO of Fox Corp, recently cemented long-term control of his family's media empire after settling a years-long legal battle with his siblings.

The family patriarch, 94-year-old Rupert Murdoch, may also be involved in the deal, Trump said. Ellison, the co-founder of Oracle and a major Republican donor, has long been linked to a potential TikTok deal. Dell is the CEO of Dell Technologies.

Trump praised the group in an interview with *Fox News' The Sunday Briefing* program, calling them prominent people and "American patriots."

The Trump administration has declined to enforce a US law enacted during the Biden administration requiring TikTok's divestiture over fears that its US user data could be accessed by the Chinese government.

Trump has included negotiations over the popular social media app, which counts 170 million US users, as part of wide-ranging economic talks with China.

Countdown starts for big retail rush

TWO-WHEELER DEALERS are expecting bookings to increase during Navratri with delivery likely on Dussehra, on October 2.

Small retailers such as Liberty Supermart as well as larger ones like DMart and Reliance Retail have updated their billing systems to ensure they reflect the new rate (5%). Existing inventory, at higher GST through offers and consumer schemes, has been cleared out to avoid any mix-up. They've been in constant touch with stockists and distributors to make sure the goods arrive on time.

Retailers of consumer durables such as Vijay Sales and Croma across Mumbai say their IT systems are in place to handle the surge in orders. The labelling will reflect the old and new prices in case of existing inventory. Moreover, there are festive offers in place to tap into the buoyant sentiment. Nilesh Gupta, director, Vijay Sales, expects not just large footfalls but also more sales this time. "Many consumers will be curious about the GST cuts, hoping to take advantage of it. There is a September sale at the moment at our stores to cash in on the sentiment," Gupta said.

Devarajan Iyer, CEO & ED at department store chain Lifestyle India, said the retailer is in the process of fixing revised price tags on apparels and footwear between ₹1,000-2,500, which now attracts 5% GST, down from 12%. "We should be done with this by Sunday night. We are also prominently advertising the revised price range on shop floors, digital and social media. The festive period is an important one for us and we do expect a boost in consumption," Iyer said.

Both Flipkart and Amazon have timed their festive sales to coincide with the GST rollout and their annual flagship sales will begin on Tuesday. Executives at these firms say that back-end systems have been

revised with new GST codes, seller interfaces have been refurbished to ensure compliance and manage inventory flows with revised pricing as well as logistics networks have been expanded to ensure quick delivery. For instance, Flipkart will use its quick-commerce arm Flipkart Minute's network across 19 cities and 3,000 pin codes in addition to existing delivery partners to fulfill orders during sale days. Kanishka Lal (name changed on request), a sales executive at a consumer durables store in Vegas Mall, Dwarka, Delhi, said that with GST on appliances such as ACs and TVs above 32 inches lowered at 18% from 28%, corporate clients are rushing to buy now. "They benefit via higher input tax credits on the purchases, which can be offset in subsequent GST filings," he explained. Shyam Gupta (name changed) at the DMart store in Thane is expecting bigger crowds at the store from Monday."Groceries will see more price cuts, clothes and general merchandise may see lower price cuts. We will take about a week to apply the cuts on all products," Gupta said.

Retailers at Delhi's Manish Global Mall in Dwarka, including pharmacies, food and grocery outlets say they will monitor the new prices closely, as they procure the revised price lists from their dealers. The government has reduced GST on most drugs, formulations and medical devices from 12-18% to 5%. 33 life-saving medicines have been made GST-free. Some pharmacy retailers say that the new price lists will be displayed at their stores for easy consumer reference from Monday.

Many companies were offering their brands at the new prices even ahead of September 22, when the new rates officially kick in. At Liberty Supermart in Santacruz (east), Mumbai, grocery purchases made before Monday's GST rate cut attracted bigger discounts of as much as 20-25% on some products and buy one get one (BOGO) offers on others. Most FMCG products have moved to the 5% GST bracket from 12% and 18% tax rates earlier."Retailers have been offering special trade discounts over the last ten days to ensure consumers can enjoy benefits of reduced prices. From Monday, the FMCG market will move to a new tax regime, existing stocks have been aligned with the revised tax structure, while new MRP stocks will reach retail shelves in the coming days," Dharyashil Patil, national president, All India Consumer Products Distributors Federation (AICPDF), an apex body of distributors and retailers, said.

H-1B fee hike to fast-track offshore shift

INFOSYS REPORTED THAT 76.4% of its workforce was offshore in Q1FY26, almost same as the preceding quarter, but higher than 75.6% in Q3FY24. Onsite deployment fell from 24.4% in Q3FY24 to 23.6% in Q1FY26. Tech Mahindra's offshore share rose from 74% in Q3FY24 to 78.6% in Q1FY26, while onsite dropped from 26% to 21.4%.

TCS, Wipro and HCLTech do not disclose their offshore-onsite mix, but analysts said the trend is consistent across the sector. TCS has repeatedly stated that it is reducing reliance on H-1B visas.

Analysts at Motilal Oswal wrote on Sunday that over the last decade, Indian IT vendors have reduced their reliance on H-1B visas. With localisation drives in the US and higher local hiring, only around 20% of employees are currently based on-site. "Of this, 20–30% are on H-1B visas, implying that H-1B holders represent just 3–5% of the active workforce for a typical vendor," they said.

The hike comes at a time when Indian IT companies are already under pressure from slowing client spending, delayed deal closures, and tighter pricing. Generative AI is adding to the strain by embedding productivity gains into contracts, leaving limited room for margin expansion.

Adding to industry concerns is a proposed outsourcing tax in the US, which seeks to impose additional levies on American companies that send work overseas.

While the measure is still at the Bill stage, it has created uncertainty among clients, some of whom are reassessing deal structures to mitigate future risks.

"Between higher visa fees and the possibility of an outsourcing tax, IT vendors will have to revisit pricing models and delivery structures.

"Clients are already cautious, which could slow deal flow further," said an analyst tracking the sector.

For now, onsite work is expected to continue for high-value, client-facing or specialised functions that cannot be managed remotely. However, the balance between onsite and offshore delivery is shifting more decisively in favour of offshore centres.

Visa applications for FY26 are already locked in.

The $100,000 fee will start to impact from FY27 onwards, when new petitions are filed.

मेळघाट विकासाच्या प्रतीक्षेत; नदी ओलांडताना एकाचा बळी

अमरावती, दि. २१: मेळघाटातील विकासाची वचने कागदावरच राहिली असताना, येथील दुर्गम भागातील नागरिकांना आजही जीवघेण्या परिस्थितीतून मार्ग काढावा लागत आहे. आज याच दुर्लक्षाचा परिणाम म्हणून खंडू नदीने पुन्हा एका ग्राम स्थाचा बळी घेतला. एकताई गावातील रहिवासी राजजी रोना भिलवेकर (वय ४५) हे खुटीदाजवळ नदी पार करत असताना पाण्याच्या जोरदार प्रवाहात वाहून गेले. त्यांचा मृतदेह नंतर सुमिता पुलाजवळ सापडला. या दुर्दैवी घटनेने परिसरात शोककळा पसरली असून, प्रशासनाच्या उदासीनतेबद्दल ग्रामस्थांमध्ये तीव्र संताप व्यक्त केला जात आहे.

सुमारे दोन महिन्यांपूर्वी जिल्हा परिषदेच्या मुख्य कार्यकारी अधिकारी (सीईओ) यांनी स्वतः खंडू नदी पार करून खुटीदा गावाला भेट दिली होती. त्यांनी ग्राम स्थांच्या समस्या जवळून अनुभवल्या, विशेषतः दररोज नदी ओलांडताना शिक्षक आणि ग्रामस्थांना येणाऱ्या अडचणी त्यांनी पाहिल्या. त्यांच्या या कृतीमुळे ग्रामस्थांना प्रशासनाकडून ठोस पावले उचलली जातील अशी आशा आजही गावकऱ्यांना आहे.
