### About GSPL Transmission Ltd (GTL)

“GSPL Transmission Limited (GTL) is a pure-play natural gas transmission company operating an approximately 2,900 km gas transmission network Gujarat. The Company operates second largest gas network in India which connects key gas supply sources with major demand centres and serves a diversified customer base across City Gas Distribution (CGD), refineries, fertilizers, power, steel, chemicals and other industrial sectors. GTL operates on an open-access, non-discriminatory basis, with transmission tariffs determined under the applicable PNGRB regulatory framework.

The Company is focused on expanding its transmission infrastructure and strengthening connectivity to emerging demand centres. GTL through its Joint Ventures has access to natural gas customers beyond Gujarat extending its economic footprint across multiple states.”
