Additionally, during the quarter, the Company received the OTS / Negotiated Settlement ("NS") sanction from the lead lender. The Company continues to adhere to the milestone payments as per the terms and conditions of the said OTS / NS. The balance debt shall not carry any interest till further resolution.

Further, the lenders in the Joint Lenders' Forum have agreed to pursue bilateral settlement with the Company on first come first serve basis. Accordingly, the Company is at an advanced stage of discussion with other lenders for OTS/NS. Limited Review Report for Quarter and Nine months ended 31st December, 2025

Independent Auditor's Review Report on Unaudited Financial Results of the Company Pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors
GTL INFRASTRUCTURE LIMITED

1. We have reviewed the accompanying statement of Unaudited Financial Results of GTL INFRASTRUCTURE LIMITED ("the Company") for the quarter ended December 31, 2025 and for the period from April 01, 2025 to December 31, 2025 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulation") read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ("the Circular").
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard of Review Engagement (SRE) 2410. 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. **Conclusion**

Based on our review conducted and procedures performed as stated in Para 3 above, except for the possible effects of the matters described in the para 5 below "Material Uncertainty related to Going Concern", nothing has come to our attention that causes us to believe that the Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Material Uncertainty related to Going Concern

We draw attention to the Note no. 5 to the Statement regarding preparation of financial results on going concern basis, notwithstanding the fact that the company continues to incur the cash losses, net worth has been fully eroded, dismantling of various telecom sites by disgruntled landowners / miscreants and loss of assets; these conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The appropriateness of the assumptions of the going concern is critically dependent on the Company's ability to generate cash flows in future to meet its obligation.

Our conclusion on the Statement is not modified in respect of this matter.

6. Emphasis of Matter

We draw attention to Note no. 3 to the Statement, which describes the non-accrual of interest on the outstanding loans. The Company's management is of the view that considering the current stage of discussions with the lenders, adequate provisions for interest have already been made in the Company's books and hence further provision is not required. Our opinion is not modified in respect of this matter.
