Notes to Financial Results:

1. The above unaudited financial results for the quarter and half year ended September 30, 2025 have been reviewed by the Audit Committee and then approved by the Board of Directors at their meeting held on November 14, 2025.
2. The details of allotment of Equity Shares on exercise of option by FCCB Holders are as under:

Particulars	No. of bonds			No. of Shares issued/ to be issued on conversion		
	B1	B2	B3	B1	B2	B3
As at July 1, 2025	27,597.5	37,471	10,281	17,97,66,251	24,40,80,848	6,69,68,994

As at November 14, 2025	27,597.5	37,471	10,281	17,97,66,251	24,40,80,848	6,69,68,994

3. During the quarter, in accordance with the sanction received from one of the secured lenders for the One-Time Settlement (OTS), the Company has settled all dues and disputes by making the requisite payments. The said lender has issued a No Dues Certificate as per which all claims, legal proceedings (including NCLT and DRT) etc. filed against the Company shall stand withdrawn. The Company is now awaiting the formal withdrawal orders from NCLT and DRT and will take consequential actions on receipt of the same.
4. As reported from time to time, the Company has faced significant losses due to external events in telecom sector such as shutdowns of major telecom operators and mergers, leading to impaired assets and a need for debt restructuring. These events cast significant doubt on the Company's ability to continue as a going concern.

Despite aforementioned extraneous development in telecom sector, adversely impacting the Company, since 2010, the Company has repaid an aggregate of Rs 19,62,150 lakhs (Rs. 19,622 Crores) to its lenders towards debt servicing and is also regular in payment of statutory dues, taxes, employee dues etc. Additionally, the Company has settled dues with one of the secured lenders through a One Time Settlement and continues to pursue OTS / restructuring discussions with all remaining lenders on bilateral basis. It also continues to pursue contractual claims of Rs 15,46,854 lakhs (Rs. 15,469 Crores) from various customers. Positive industry developments such as government support, funding to Vodafone Idea Ltd , a simplified telecom policy, tariff hikes, 4G and 5G rollouts, ongoing cost optimization are expected to improve Company's performance. Considering above facts, the Company has no intention to discontinue its operations or liquidate its operating assets; accordingly, the Company continues to prepare the books of account on Going Concern basis.

5. Shutdown/exit of 14 telecom customers as reported from time to time resulted in making more than 14000 towers sites unoccupied. The discontinuing customers did not make any payment of their contractual dues including rent payable to landlords. As a result rental to landlords for those unoccupied sites remain unpaid. These unpaid dues led to blockage of access and unauthorized dismantling/theft by unknown miscreants/landlords. Resultantly, 98 and 188 sites got dismantled during the quarter and the half year

ended September 30, 2025 (363 sites during the year ended March 31, 2025). As a result, the Company has recognised a Loss Rs. 117 Lakhs (Rs 1.17 Crores) and Rs 243 Lakhs (Rs 2.43 Crores) for the quarter and half year ended Sep 30, 2025 (Loss Rs. 242 Lakhs (Rs. 2.42 Crores) for year ended March 31, 2025) which is included in other expenses in the above results. The Company continues to put in efforts to protect its assets and pursue insurance claims and take appropriate actions against the unknown miscreants/landlords including filing of FIR, wherever applicable.

Limited Review Report for Quarter and Half year ended 30th September, 2025

Independent Auditor's Review Report on Unaudited Financial Results of the Company Pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors
GTL INFRASTRUCTURE LIMITED

1. We have reviewed the accompanying statement of Unaudited Financial Results of GTL INFRASTRUCTURE LIMITED ("the Company") for the quarter ended September 30, 2025 and for the period from April 01, 2025 to September 30, 2025 ("the Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulation") read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ("the Circular").
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard of Review Engagement (SRE) 2410. 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Basis for Opinion

Based on our review conducted and procedures performed as stated in Para 3 above, except for the possible effects of the matters described in the para 5 below "Material Uncertainty related to Going Concern", nothing has come to our attention that causes us to believe that the Statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other recognised accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

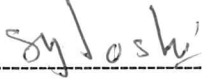

5. Material Uncertainty related to Going Concern

We draw attention to the Note No. 4 to the Statement regarding preparation of financial results on going concern basis, notwithstanding the fact that the company continue to incur the cash losses, net worth has been fully eroded, defaulted in repayment of principal and interest to its lenders, certain lenders including Edelweiss Asset Reconstruction Company (EARC) have called back the loans, Aircel, one of the major customers of the Company has filed Insolvency petition before NCLT and various other events resulting into substantial reduction in the tenancy, provisions for impairment for property, plant and equipment, legal matters in relation to Property Tax, dismantling of various telecom sites by disgruntled landowners / miscreants and loss of assets (refer Note No. 5 to the Statement); these conditions indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. One of the secured lenders has filed Corporate Insolvency Resolution Process (CIRP) petition which is pending before National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016.

However, pursuant to the completion of One-Time Settlement (OTS) and consequent receipt of No Dues Certificate from the aforesaid lender, the legal proceedings before NCLT and Debt Recovery Tribunal are in the process of being withdrawn (refer Note No. 3 to the statement). The appropriateness of the assumptions of the going concern is critically dependent on the Company's ability to generate cash flows in future to meet its obligation.

Our conclusion on the Statement is not modified in respect of this matter.
