### **Commenting on the results, Mr. Anirudhsinh Jadeja – Managing Director, GTPL Hathway Limited, said,**

“I am pleased to share that the Company delivered a stable and consistent performance during Q4 FY26 across both Cable TV and Broadband segments, reflecting the strength of our operating model and our ability to navigate a dynamic and competitive environment.

Our focus continues to be on enhancing customer experience and driving deeper engagement. We are actively expanding our service portfolio beyond traditional Cable TV and Broadband by integrating value-added offerings such as OTT, Gaming, and TV Everywhere, available in both standalone and bundled formats. This approach is aligned with evolving consumer preferences and is expected to support long-term customer retention and revenue growth.

A key milestone during the financial year was the launch of ‘GTPL Infinity’, our HITS platform. Supported by one of the world’s largest C-Band teleports in Ahmedabad, the platform enables seamless nationwide distribution of nearly 800 channels with high reliability. It provides our partners with the ability to commence operations within 24 hours, optimise costs, and create new growth opportunities, thereby strengthening our distribution ecosystem.

Looking ahead, the upcoming financial year will be an important phase as we are committed to enhance our TV distribution capabilities by leveraging the potential of newly launched platform & increase our Broadband penetration in key markets.”
