Dear Sir,

Sub: Intimation under Clause 29 and 36 of the Listing Agreement

Pursuant to Clause 29 and Clause 36 of the Listing Agreement, we would like to intimate the exchange as under:

GACL is running 12 individual plants in Vadodara Complex and 11 plants in Dahej Complex. Some of these plants are of very small capacity, mainly set up to consume the excess Chlorine or Hydrochloric Acid and some of these plants are running at losses.

The Calcium Chloride plant of Vadodara Complex is incurring losses. In order to improve the profitability of the Company, the management has decided to close this plant and mothball it for some time till the mode of disposal of this plant is decided. The management is exploring the options to sell or otherwise dispose off the plant.

Similar exercise to reduce the losses of some of the plants in Dahej Complex has also been started and the management is examining the possibility of outsourcing the operations of some of these plants or to stop production altogether.

We will update the stock exchange on the above from time to time.

Thanking you,

Yours truly,

For GUJARAT ALKALIES AND CHEMICALS LIMITED
