As explained hereabove, further terms for the Issue will be determined by the Board in consultation with the advisors or lead managers, as may be necessary considering the prevailing market conditions, in accordance with the applicable law and other relevant factors. Pursuant to applicable provisions including section 62 of the Companies Act 2013, SEBI Listing Regulations and applicable laws, whenever it is proposed to increase the subscribed capital of a company by a further issue and allotment of shares, such shares need to be offered to the existing members unless the members decide otherwise by passing resolution.

This Special Resolution, if passed, will have the effect of allowing the Board to offer, issue and allot Equity Shares / Securities to the investors, who may or may not be the existing members of the Company. Accordingly, approval of the members of the Company is being sought pursuant to the provisions of the ICDR Regulations, SEBI Listing Regulations, and applicable provisions of the Act, by way of passing special resolution.

The Board of Directors believe that the proposed Issue is in the best interest of the Company and its Members and, therefore, recommend the resolution set out in the Notice for approval by the Members of the Company as a Special Resolution.

2. Amendment to the Articles of Association of the Company

Article 13(1)(c) of the Articles of Association of the Company presently provides that where further shares are issued to any persons, whether or not such persons include those referred to in clauses (a) or (b), either for cash or for consideration other than cash, the price of such shares shall be determined by a registered valuer or a valuer approved for the purpose, who shall submit a valuation report.

The aforesaid provision was incorporated based on the statutory framework prevailing at the relevant time. However, the legal framework governing further issue of securities by a listed company has since evolved. Presently, issuance of securities by listed companies is governed by the provisions of the Companies Act, 2013, the Rules made thereunder, and the applicable regulations framed by the Securities and Exchange Board of India, including the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018.

The Companies Act, 2013 and the applicable SEBI Regulations prescribe specific circumstances in which a valuation report or valuation by a registered valuer is required. In several transactions undertaken by listed companies, including those where the pricing mechanism is prescribed under the applicable SEBI Regulations, obtaining a separate valuation report may not be mandatory.

Accordingly, retaining an unconditional requirement in the Articles of Association to obtain a valuation report in every case of issue of shares may result in the Articles imposing a requirement beyond what is mandated under the applicable statutory framework and may unnecessarily restrict

the Company even where the Companies Act, 2013 or the applicable SEBI Regulations do not require such valuation.

The proposed amendment seeks to align the Articles of Association with the prevailing legal framework by removing the mandatory reference to valuation from Article 13(1)(c). The proposed amendment does not dispense with any valuation requirement prescribed under applicable law. Wherever valuation is required under the Companies Act, 2013, the Rules made thereunder, the SEBI Regulations or any other applicable law, the Company shall continue to comply with such requirements.

A copy of the existing Articles of Association together with the proposed amended Articles of Association is available for inspection at the registered office of the Company.

The Board is of the opinion that the proposed amendment is in the best interests of the Company and recommends the Special Resolution set out in the Notice for approval by the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the Resolution except to the extent of their respective shareholding, if any, in the Company.

It shall be sufficient if the company passes a special resolution once a year for all the offers and invitations for such NCDs to be made during the said year.

Issue of NCDs / Debt Securities on private placement basis could be a competitive source of borrowing for the Company. Keeping in view the possible fund requirements of the business vis-à-vis advantages of a diversified debt portfolio and competitive debt instruments, an enabling approval of the members of the Company is being sought by way of special resolution under section 42 and applicable provisions of the Act, Rules made thereunder, other applicable law, on the terms and for amount as set out in the Resolution, to enable the Board to make a private placement of NCDs/ and also enable for issue of Debt Securities in debt market whenever considered expedient in the interests of the Company. Terms including pricing, interest etc will be determined at the time of issue keeping in view the prevalent market conditions and in the best interests of the Company. The NCDs / Debt Securities may be listed on one or more stock exchanges, as per applicable statutory provisions.

This resolution is being approved as per the extant statutory provisions as referred in the Resolution and explanatory statement. However, in case of any amendment or clarification liberalizing the provisions or requirements, the resolution should be read and effected in that context as may be beneficial to the Company or as Board may decide, without further approval or modification.
