PM should answer the nation in Parliament, not question opposition: Rahul

New Delhi

Congress President Rahul Gandhi on Wednesday said that Prime Minister Narendra Modi should answer the nation on the Rafale deal, farmers issues and on employment generation, instead of questioning the opposition Congress.

Talking to reporters outside Parliament, Gandhi said he can understand that before 2014 Modi was blaming the Congress for everything, but even after being in power for four years he was still questioning the opposition instead of giving answers to the people from the floor of the House.

"I can understand that before 2014, the Prime Minister was talking about the 70 years of Congress rule. But today, the BJP is in government, Modi is the Prime Minister not opposition," the Congress President said, soon after Modi finished his speech in the Lok Sabha, in which he fiercely attacked the Congress, during his reply on the Motion of Thanks on the President's Speech.
