Hardwyn launches ISI-Certified floor springs. The **Floor Spring** is engineered to provide reliable glass door control, smooth closing action, and certified performance for frameless glass door installations. Manufactured by **Hardwyn India Limited**, this ISI-marked floor spring is designed for commercial and high-traffic glass applications where safety standards and durability are essential. Available in **Silver and Black finishes**, ISI model integrates seamlessly with modern glass door fittings while maintaining precise door alignment and balanced closing speed. Its robust internal mechanism supports consistent operation in demanding environments.

This is for your information and also for the information of members and the public at large.

Thanking you,

Your Faithfully,

For Hardwyn India Ltd.
