PRESS RELEASE

Hardwyn Launches BIS-Certified 3D Cabinet Hinges – Setting New Standards in Furniture Hardware

New Delhi, September 29, 2025 – Hardwyn, a leading name in architectural and furniture hardware, has introduced its advanced 3D Cabinet Hinges, engineered for precision, durability, and smooth functionality in modern furniture applications.

Achievement in Architectural Hardware in India

Hardwyn has emerged as one of the largest manufacturers and traders of cabinet hinges in India. With this launch, Hardwyn also joins an elite group of the only three companies in India to receive the prestigious BIS (Bureau of Indian Standards) Certification- IS 18297:2023 for cabinet hinges.

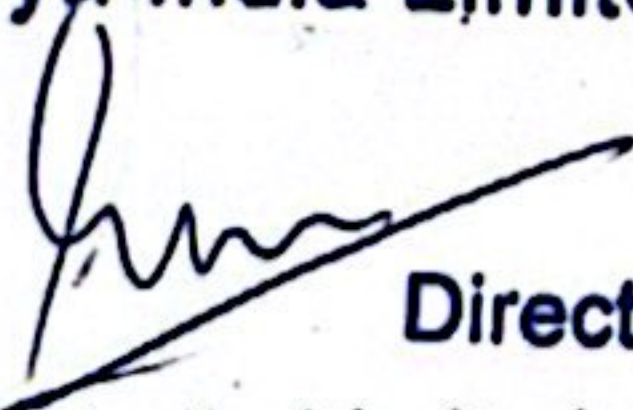

This certification reinforces Hardwyn's commitment to quality, reliability, and international standards, ensuring that customers benefit from hardware solutions that are both innovative and trustworthy.

"The BIS certification is not just a recognition; it is a reaffirmation of our promise to deliver excellence," said a company spokesperson. "With our new 3D Cabinet Hinges, we continue to raise benchmarks in the hardware industry."
