Sub: - Clarification I Regulation 30 of LODR I Disruption of operations

Dear Sir,

This is with reference to the intimation dated 19th August 2022, filed by the Company viz. Havells India Limited, informing the amount of book value of assets affected due to the fire incident at its Neemrana plant and the clarification sought by the NSE thereon.

The information sought on 2 (two) points in the clarification letter is provided below:-

1. Insurance amount claimed and realized by the listed entity for the loss/damage;

As informed in the above referred intimation, the amount of loss has been ascertained on the basis of book value of the affected assets which is around INR 150 crores.

Finalization of the insurance claim is in process by the Surveyors appointed for the said purpose by the insurance company.

2. Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity

The unfortunate incident of fire that was reported to the stock exchanges happened at one block of Neemrana Lighting plant on 27th July 2022. Lighting products that are manufactured in other blocks have no impact of this incident and manufacturing of lighting products in other blocks is continuing as earlier.

The Company could manage to establish supply chain of most of affected range of products through its regular suppliers. Hence this incident has no significant impact on continuity of lighting business.

This is for your information and records.

Thanking you.

Yours faithfully,
for **Havells India Limited**

(Sanjay Kumar Gupta)
Company Secretary
