Notes to results

- 1 The above results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on May 30, 2017.
- 2 These results have been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable. The impact of transition has been provided in the retained earnings as at April 1, 2015. The results for the quarter and year ended March 31, 2016 have been restated to comply with Ind AS. The figures for the corresponding periods have been regrouped, wherever necessary, to make them comparable.
- 3 Figures for the quarter ended March 31, 2017 and March 31, 2016 are the balancing figures between audited figures in respect of the full financial year and the published year to date unaudited figures up to the third quarter of the year ended March 31, 2017 and March 31, 2016 respectively.
- 4 Pursuant to the approval of the internal restructuring by the board of directors and the shareholders and after seeking in-principle prior approvals from the lenders, the Company transferred its Cable Television business by way of slump sale to its wholly owned subsidiary Hatway Digital Private Limited (earlier known as Hatway Datacom Central Private Limited) ("said Subsidiary") with effect from close of business hours as of March 31, 2017 for a total consideration of Rs. 302 Crores. In view of the same, all assets and liabilities including borrowings attributed to the cable television business got vested in the said subsidiary. The Company has intimated the effect of the same to its lenders and the lenders are inter alia in the process of completing documentations in this regard.
- 5 The board of directors of 5 wholly owned subsidiaries of the Company viz. Hatway New Concept Cable and Datacom Private Limited, Hatway Krishna Cable Private Limited, UTV Cable Communications Private Limited, Hatway software Developers Private Limited and Hatway Mysore Cable Network Private Limited have resolved, subject to necessary approvals, to demerge their cable television business to Hatway Digital Private Limited with effect from closing hours of March 31, 2017.
- 6 Pursuant to introduction of Digital Addressable System (DAS), in terms of TRAI Regulations the MSOs are required to inter alia enter into inter connect agreements with local cable operators in notified cities. The Company has not been able to complete the above process successfully in networks where there are cases of resistance from local cables operators. Pending execution of documents, income recognized is based on various underlying factors including rate charged by other MSOs, ongoing negotiations with cable operators etc. The management has reviewed the outstanding receivables and has made suitable provisioning, wherever required and is confident that it is stated at realizable amount.
- 7 The Company has its presence in various cities, which form part of phase III of DAS rollout in terms of MIB notification. Preparatory to DAS rollout dates, the Company had established required infrastructure. The monetization of these Investments is subject to successful DAS implementation and the management is hopeful of the same.
- 8 In respect of one of the entities, accounted as a Joint Venture (as per Ind AS 28) of the Company having many step-down entities, it was not practicable to draw up its consolidated financial statement up to March 31, 2017 within stipulated period in which the Company is required to publish its audited consolidated financial results. Accordingly, the management has considered audited consolidated financial statements of that Joint Venture for nine month period ended December 31, 2016. The management of the said Joint Venture has confirmed that there are no significant transactions and other events that occur between January 1, 2017 and March 31, 2017 that require adjustments.
- 9 The share of profit / loss of seven (7) joint ventures of the Company, have been considered based on provisional (unaudited) financial statements of such JVs as prepared by the management of the Company.
- 10 During the quarter ended March 31, 2017, the Company has effectively divested its entire stake in two entities and resultant loss amounting to Rs. 1.99 Crores has been recognized.
- 11 The Company is a Multi System Operator providing Cable Television Network Services (under MSO licence issued by Ministry of Information and Broadcasting) and Internet Services (Under Unified Service License issued by department of Telecommunication) and allied services which is considered as the only reportable segment. 2. We conducted our audit in accordance with the auditing standards referred to in the Companies Act, 2013. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates

made by management. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

3. We did not audit (a) the financial statements of eighteen subsidiaries, whose financial statements reflect total assets of ₹ 118.75 crores as at March 31, 2017; as well as the total revenue of ₹ 52.70 crores for the year ended March 31, 2017, (b) the consolidated financial statements of one joint venture, whose financial statements include the Group's shares of net profit after tax ₹ 16.87 crores, and (c) the Group's share of net profit after tax of ₹ 0.42 crores in respect of nine jointly controlled entities for the year ended on March 31, 2017 as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the year to date results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.

Apart from above, the consolidated financial statements also include the Group's share of net loss of ₹ 7.34 crores for the year ended on March 31, 2017 as considered in the consolidated financial statements, in respect of seven jointly controlled entities. These financial statements and other financial information are unaudited and have been furnished to us by the Management and our opinion on the financial results, to the extent they have been derived from such financial statements is based solely on such unaudited financial statements.

4. In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of other auditors on separate financial statement and other financial information of subsidiaries, jointly controlled entities and associates referred to in Para 3 above, these consolidated year to date results:
