HCL Infosystems appoints Neeraj Jaitley as President of Enterprise Solutions

New Delhi, May 8th, 2012: HCL Infosystems Ltd, India's premier Hardware, Services and ICT System Integration Company today announced the appointment of Mr. Neeraj Jaitley as President of Enterprise Solutions for HCL Infosystems Ltd. He will be leading the company's B2B businesses that cater to the needs of government and enterprise customers. Neeraj will be part of the company's senior management team and will report into Harsh Chitale, Chief Executive Officer, HCL Infosystems Ltd.

Today HCL Infosystems is a multi-billion dollar company and an IT powerhouse with extensive market reach, strong customer base, multi-domain capability with System Integration, Software services and Product offerings. HCL Infosystems over the past few years has also been expanding with the growing presence across emerging markets and strong skilled workforce of close to 8000 people.

Neeraj is an accomplished business and IT operations professional with over 24 years of experience in P&L management, service delivery, strategic planning, and IT product and solutions sales to large Corporate and Government markets. Before joining HCL, he was Vice President and Business Head, Cloud Services at Wipro Technologies. During this period, he built a business focused on Private and Hybrid cloud setups for clients and created a robust portfolio of service offerings, leading with Cloud Advisory services. Before this assignment, Neeraj was Business Head, Managed Services and Vice President Service Delivery Enterprise & BFSI. In this role, he was responsible for Global Managed Services Business revenue, practice, technology competencies and P&L. He was also responsible for the global delivery organisation Enterprise and BFSI verticals, and for the Business Services Management P&L.

An engineering graduate, Neeraj started his career in 1987 in the Professional Services Division at Wipro Infotech. In his 24 years of career in Wipro, he has played various leadership roles in the domestic and global markets.
