HCLSoftware Appoints Vikrant Chowdhary as Senior Vice-President & Country Head for India

Noida, India – November 18, 2024 – HCLSoftware, a global leader and enterprise software products unit of HCLTech, today announced the appointment of Vikrant Chowdhary as Senior Vice-President and Country Head for India.

In this role, Chowdhary will lead HCLSoftware's India region business for growth and innovation across India's critical sectors, including Enterprise, BFSI, and Government segments. Chowdhary will play a key role in leading HCLSoftware's *Make in India* commitment of being the largest India-based global enterprise software products company.

India represents a key growth market for HCLSoftware's global expansion, and the company is investing heavily in strengthening its regional presence to meet the evolving needs of customers in these critical sectors. As India accelerates its digital transformation for *Viksit Bharat* across industries, HCLSoftware is uniquely positioned to support the country's rapidly expanding digital and AI infrastructure across industry sectors.

Commenting on the appointment, **Rajiv Shesh, Chief Revenue Officer, HCLSoftware** stated: "Vikrant's leadership and expertise will be pivotal as we drive growth and innovation in India. We're excited to welcome him as we solidify HCLSoftware's leadership in the market."

Based in the Delhi NCR region, Chowdhary brings more than 27 years of leadership experience to HCLSoftware, with a proven track record of success in scaling technology-driven businesses. His expertise across Go-to-Market (GTM) strategy, team leadership, and technology for enterprise & financial services, are pivotal for HCLSoftware's strategic expansion in India's growth market.

Chowdhary's career includes leadership roles at some of the world's most innovative technology companies, including Salesforce, SAP, Teradata, IBM, and numerous successful startups. Most recently, he served as the first Chief Growth Officer at CleverTap. Chowdhary's leadership has been instrumental in driving growth and operational excellence in highly dynamic, competitive environments.

Chowdhary holds a Post-Graduate in Industrial Management from the Indian Institute of Management, Mumbai.

About HCLSoftware:

HCLSoftware is a global leader in software innovation and the software division of HCLTech. We develop, market, sell, and support transformative solutions across various industries, including business and industry, intelligent operations, total experience, data and analytics, and cybersecurity. Our commitment to customer success and our core values of integrity, inclusion, value creation, people-centricity, and social responsibility drive us to deliver best-in-class software products that empower organizations to achieve their goals. With a rich heritage of pioneering spirit, HCL Software serves more than 20,000 organizations, including a majority of the Fortune 100 and almost half of the Fortune 500.
