HCLTech recognized as a Leader in 2025 Gartner Magic Quadrant for Service Integration and Management

NEW YORK and NOIDA, India, Feb 25 —HCLTech, a leading global technology company, has been recognized as a Leader in the 2025 Gartner® Magic Quadrant™ for Service Integration and Management (SIAM).

We believe this recognition underscores HCLTech's deep expertise of over 13 years in the SIAM market, delivering innovative solutions across key verticals, including manufacturing, retail and healthcare and empowering enterprises to streamline operations and elevate service delivery.

"We see this recognition as validation of HCLTech's long-term commitment to shaping the future of Service Integration and Management. As the SIAM market matures, the next phase will be defined by intelligence, autonomy and measurable business outcomes. With HCLTech's AI Force, we are advancing SIAM across the enterprise to govern multiple functions, teams and AI Agents. This will enable faster decisions, responsible AI adoption and result in sustained value creation. Our objective is to help enterprises move from managing services to orchestrating outcomes," said Jagadeshwar Gattu, President of Digital Foundation Services, HCLTech.
