HCL Technologies' Healthcare Practice Named 39th on *Healthcare Informatics* 100 List

Named One of America's Fastest Growing Healthcare IT Companies

Florham Park, NJ—August 22nd, 2011 — [HCL Technologies](http://www.hcltech.com), a leading global IT services provider, today announced that its [Healthcare Practice](#) has been ranked as America's 39th largest Healthcare Information Technology (HIT) company by revenue in the 2011 Top 100 listing in *Healthcare Informatics* magazine.

"Significant large deals related to Healthcare Reform signed in 2010 with Payer and Provider organizations led to HCL's rapid increase in HIT revenues over the last year and contributed to HCL's industry leading revenue growth in the Americas over the last three years" said **Pradeep Nair, Senior Vice President for Healthcare Practice, HCL Technologies**. "To be recognized as one of the largest and fast growing Healthcare companies by *Healthcare Informatics* is an honor. Through co-innovation initiatives with our customers we will continue to develop disruptive technologies that enhance the global competitiveness of our customers and our practice", he added.

Healthcare Informatics determines its annual rankings through surveys of healthcare vendors for total revenue earned during the year previous. Total revenue is solely derived from the sale of [computer](#) hardware, software and related services to healthcare providers, of which HCL Technologies Healthcare practice is 100 percent services.

[HCL Technologies'](#) Healthcare Practice is one of the fastest growing business verticals for HCL Technologies. Leading pharmaceutical companies, healthcare payers, and healthcare providers turn to the HCL's Healthcare Practice for domain expertise-driven information management, compliance solutions, and future-ready business process optimization. The Healthcare practice consists of 1,800+ associates who provide solutions and services to the healthcare industry, across the globe.
