HCL Technologies enters into strategic relationship with State Street to provide BPO services

Noida, India, February 14, 2012 -- HCL Technologies Ltd. (HCL), a leading global IT and BPO services provider, signed an agreement with State Street Bank and Trust Company (State Street) to provide business process outsourcing services in support of a variety of State Street's investment services businesses.

Rahul Singh, President Financial Services & Business Services said "We are pleased to partner with State Street, which is a leading financial services provider. This is a part of HCL's strategic vision of providing domain specific transaction processing BPO services to leading clients in the Financial Services Vertical. This deal enhances HCL's status amongst global Services firms providing Sell Side and Buy side business services within Capital Markets landscape. This is a further proof point of HCL's BPO 2.0 vision and its Integrated Global Delivery Model"
