## **Statement from Hero MotoCorp Limited**

We would like to inform you that production will be temporarily paused from April 17 to 19, 2025, at four of our manufacturing plants — Dharuhera, Gurugram, Haridwar, and Neemrana — as we navigate a short-term supply alignment.

During this planned pause, we are taking the opportunity to carry out maintenance, upkeep, and facility enhancements to further strengthen our operations. Production will resume on April 21, 2025.

Our Tirupati and Halol plants will continue to operate during this time. This pause will not impact our ability to meet retail demand across domestic and international markets. Any production deferment will be efficiently recovered in the following month.
