## VIDA INTRODUCES NEW VARIANT – VIDA VX2 GO FB, EXPANDING EVOOTER PORTFOLIO TO OFFER MULTIPLE CHARGING OPTIONS

- Expanding the VIDA EVOOTER VX2 lineup to give every rider the power to choose between direct-plug convenience and removable-battery flexibility.
- Available at an attractive price of **INR 1,13,000/-\*** in New Delhi

VIDA, powered by Hero, today expanded choices within its electric mobility portfolio with the introduction of the **VIDA EVOOTER VX2 Go FB (3.1 kWh)** featuring direct-plug charging. Joining VIDA's existing lineup of removable battery variants, this new option advances the brand's vision of 'GHAR GHAR EVOOTER' by offering customers complete freedom to choose how they power their ride. Whether riders prefer the ease of plugging straight into a standard wall socket or also need the versatility of a removable-battery, VIDA now delivers a tailored solution for every Indian household. Priced at **INR 1,13,000/-\* (ex-showroom, New Delhi)**, the direct-plug VIDA EVOOTER VX2 Go FB delivers an effortless blend of practical range, everyday performance, and seamless charging flexibility.

**The VIDA EVOOTER VX2 portfolio includes:**

| VIDA VX2 Variant                | Range**                              |
|---------------------------------|--------------------------------------|
| VIDA VX2 Go 2.2 kWh             | IDC-certified range of 93 km         |
| <b>VIDA VX2 Go FB (3.1 kWh)</b> | <b>IDC-certified range of 128 km</b> |
| VIDA VX2 Go 3.4 kWh             | IDC-certified range of 146 km        |
| VIDA VX2 Plus 3.4 kWh           | IDC-certified range of 146 km        |
| VIDA VX2 Plus 4.4 kWh           | IDC-certified range of 187 km        |

Powered by a **3.1 kWh fixed battery**, the VIDA EVOOTER VX2 Go FB offers an IDC-certified range of **128 km**. It is driven by an advanced 6 kW swing-arm motor delivering a top speed of **70 km/h**. Designed for everyday comfort and convenience, it features a long, comfortable seat, 27.2 litres of under-seat storage, a 4.3-inch LCD with smartphone connectivity and turn-by-turn navigation, along with DC fast-charging that powers the battery from **0-80% in 65 minutes**.

Complementing its comprehensive product line-up, VIDA continues to strengthen its ownership ecosystem with an extensive network of **over 5,900 fast-charging stations** and **700+ service touchpoints** across the country. Alongside a flexible **Battery-as-a-Service (BaaS)** offering, the **VIDA EVOOTER VX2 Go FB** will be available across authorized dealerships nationwide starting early August.

*\* Effective ex-showroom price in New Delhi, excluding current PMED subsidy and offers*

*\*\*Under IDC internal test cycle as per AIS040 on a full battery*
