## Press Release

**6 July 2022**

---

### **Rajiv Gandhi has been nominated as a member of National Advisory Committee for Animal Husbandry and Dairying Sector**

---

Rajiv Gandhi, Founder, CEO & Managing Director of Hester Biosciences has been nominated as a member of the National Advisory Committee for Animal Husbandry and Dairying Sector, constituted by The Government of India.

This committee, chaired by Hon'ble Union Minister (FAHD) Shri Parshottam Rupalaji, has been constituted to recommend, prescribe and advise policies relating to cattle & dairy development, feed and fodder, poultry, piggery, sheep, goat and animal health.

This initiative by the Government to involve private sector towards policy forming will go a long way for the growth of the animal husbandry sector in India.

Hester is committed to contribute and be a part of this growth initiative.

#### **About Hester**

Hester Biosciences Limited is a leading animal healthcare company engaged in manufacturing and marketing of animal vaccines and healthcare products. The company operates with a singular focus of improving the health of animals, monitoring and preventing diseases in them, thereby enabling better health for human beings.

The company is progressing through innovation and building capacities to unlock untapped potential and also aims to play a bigger role in strengthening the livestock industry in India and contributing to the nation's development.
