

**HGS USA President Wins Silver Stevie® Award for
Female Executive of the Year**

Kathy Hamburger recognized for transformational leadership in premier business awards program

NOVEMBER 23, 2015 (CHICAGO, IL.) – Hinduja Global Solutions Limited (HGS), (listed on National Stock Exchange & Mumbai Stock Exchange in India) a global leader in business process management, today announced that president of HGS USA Kathy Hamburger was named the winner of a Silver Stevie Award for Female Executive of the Year in the 12th annual Stevie® Awards for Women in Business.

Hamburger successfully led HGS USA through a significant transformation over the past year. Under her leadership, HGS USA launched a new site in Texas and strengthened its capabilities in a number of key markets, including consumer goods and electronics, healthcare and insurance.

"I'm honored to be recognized alongside such an impressive roster of accomplished executives," Hamburger said. "HGS is one of the most decorated players in the industry. This award is more evidence of our success and the talent of my team that continues to inspire me each and every day."

Judges called Hamburger a "game changer" and cited her industry leadership in optimizing the customer experience along with "impressive financial achievements" for the award.

Hamburger's accomplishments include the development of a 75-seat, multi-channel consumer affairs process center, the acquisition of a majority stake in a CRM healthcare partner and growing the firm's digital-enablement expertise.

"We are again humbled by the accomplishments of so many high-achieving women in this program," said Michael Gallagher, founder and president of the Stevie Awards. "Their work is an inspiration to girls and women around the world who dream of starting and growing a business, managing a leading company, or improving their community. We congratulate all of this year's Grand, Gold, Silver and Bronze Stevie Awards."
