HGS employees organize a volunteering drive at the Doddakallasandra Government High School

300 HGS volunteers participated in a four-day School Rejuvenation Program

Bangalore, October 30, 2019: As part of its volunteering program – Work to Give, 300 employees of Hinduja Global Solutions Ltd. (HGS) (listed on BSE & NSE in India) participated in sprucing up the Doddakallasandra Government High School in Bangalore.

School rejuvenation has been one of many initiatives that HGS employees have supported in association with HGS' NGO partner- The Akshaya Patra Foundation (TAPF). The four-day volunteering drive at Doddakallasandra Government High School started on October 22nd, 2019. Starting with surface preparation of the wall with white-wash and providing a coat of paint to creating educative murals, employees of HGS helped add great colour to the school.

"HGS firmly believes in the philosophy of contributing to the communities that we operate in. We are happy that we are not only able to bring positive change as an organisation but also at an individual capacity through employee volunteering. It was great to see over 300 of our employees engage in creating a more conducive and friendly environment for the school children." **said Shilpa Sinha Harsh, SVP - Global Corporate Communications, D&I & CSR**, **Hinduja Global Solutions**

Speaking on the volunteering activity, **Kolika M, principal of Doddakallasandra Government High School** stated, "Schools are a second home for students and its extremely important for us to create a learning environment that is both vibrant and clean. We have seen a strong and genuine connection that the HGS volunteers have built with the school, both with the staff and students. It is very heartening to see such support from corporates in facilitating education."

Through 'Work to Give', HGS has so far engaged over 23,000 employees across 13 locations globally. The primary objective of the program is to be able to extend the time, skills, effort and passion of the employees to create a better tomorrow for the communities we live in.
