

HGS Hiring 150 Licenced or Certified Pharmacy Technicians in Roswell, GA Customer Experience Contact Center

October 17, 2017 (Roswell, GA) – Hinduja Global Solutions Limited ([HGS](http://www.teamhgs.com)), a company listed on NSE & BSE in India and a global leader in customer experience, will hire more than 150 Licensed or Certified Pharmacy Technicians for an assignment at its Roswell, GA location. A hiring event will be held at 1805 Old Alabama Rd in Roswell on Thursday, October 19 from 10 a.m. to 3 p.m.

“We’re looking to add new, dynamic and talented professionals to our team,” said Craig Larramore, VP of Operations, “We are providing a \$1000 stay bonus to anyone who remains with HGS for the entirety of the assignment and will retain more than 50 individuals as permanent employees, once the assignment is complete. This is HGS’s way of saying thank you for becoming part of the HGS team whether it’s in a temporary or permanent capacity.”

HGS Pharmacy Technicians work with customers to review, deny or approve and communicate decisions for prior authorization pharmacy requests according to clinical guidelines. Pharmacy Technicians interact with customers over the phone, answering questions and selling products and services.

Interested individuals can attend the hiring event on Thursday, October 19 at 1805 Old Alabama Rd. in Roswell. These positions are ideal for candidates who are solution-oriented, effective at problem solving and enjoy helping people within a customer service environment. Attendees should bring an updated resume to the job fair and come dressed for a one-on-one interview. Applications are also being accepted online at <http://careers.teamhgs.com>.

About Hinduja Global Solutions (HGS)

HGS is a leader in optimizing the customer experience and helping our clients to become more competitive. HGS provides a full suite of business process management (BPM) services from traditional voice contact center services and transformational DigiCX services that are unifying customer engagement to platform-based, back-office services and digital marketing solutions. By applying analytics, automation, and interaction expertise to deliver innovation and thought leadership, HGS increases revenue, improves operating efficiency, and helps retain valuable customers. HGS expertise spans the telecommunications and media, healthcare, insurance, banking, consumer electronics and technology, retail, and consumer packaged goods industries, as well as the public sector. HGS operates on a global landscape with over 44,800 employees in 69 worldwide locations delivering localized solutions.
