Date 13th September, 2012

Hinduja Global Solutions, Inc. ("HGS Inc."), the US subsidiary of Hinduja Global Solutions Limited, has executed an Asset Purchase Agreement with Deloitte Consulting LLP and Deloitte Consulting Extended Business Services LLC (collectively, the "Sellers") for purchase of the Sellers' healthcare revenue cycle outsourcing business ("EBOS") comprising of accounts receivable processing services and insurance eligibility verification services.

EBOS has several US hospitals as its clients and the transaction will provide HGS Inc. access to these hospitals. The transaction is expected to result in incremental annual revenue of US$11 million. HGS Inc. plans to close the all-cash transaction in early October.

HGS has significant presence in healthcare sector and the transaction will further strengthen its ability to deliver outsourcing services to the hospital/provider segment.
