Q1 FY27 Highlights and Financial Performance

Q1 FY27 Financial Highlights

Consolidated

Total Revenue (Q1FY27)

Consolidated

Rs. 304.3 Cr

EBITDA (Q1FY27)

Consolidated

Rs. 4.8 Cr

PAT (Q1FY27)

Consolidated

Rs. 1.1 Cr

Segmental Revenue

Tollway Collection

Rs. 273.9 Cr

EPC Infra

Rs. 27.9 Cr

Real Estate

Rs. 1.5 Cr

Q1 FY27 Consolidated Income Statement

Particulars (Rs. Cr)	Q1 FY27	Q1 FY26
Revenue from Operations	303.3	112.0
Other Income	1.0	0.5
Total Income	304.3	112.5
COGS	293.1	97.0
Employee Expenses	4.3	2.6
Other Expenses	2.1	0.8
EBITDA	4.8	12.0
EBITDA Margin %	1.6%	10.7%
Depreciation	0.7	0.6
EBIT	4.1	11.5
Finance Cost	2.6	1.8
PBT	1.5	9.7
Tax Expense	0.5	2.5
PAT	1.1	7.2
PAT Margin %	0.3%	6.4%

- Total income grew by 170.6% YoY to Rs. 304.3 Cr
- EBITDA stood at Rs. 4.8 crore and PAT was Rs. 1.1 crore in Q1FY27
- During the quarter, profitability was impacted by lower traffic volumes at the Moti Naroli and other few toll projects, where geopolitical developments and global trade disruptions affected export-import activity and freight movement through port-linked corridors. The resulting under-recovery of fixed project costs exerted pressure on margins in Q1FY27

Key Business Verticals

EPC Infra

Tollway Collection

Real Estate

Diversified Business Segments across High Growth Verticals

EPC INFRA

72 Completed Projects

24 Under Construction Projects

Key Projects:

- PMAY Housing Rs. 147.1 Cr
- Industrial Parks Rs. 15.5 Cr
- Private Projects Rs. 27.4 Cr

Focus Areas: Highways, Bridges, IT Parks, Irrigation related construction, and many more

Tollway Collection

35 Completed Projects

06 Ongoing Projects

Effective Toll Management with minimum revenue leakage

Asset Light Business Model

Among the few operators to manage tollway collection using advanced technologies

Real Estate

Delivered **2,600+** Residential and Commercial Units

Real estate revenue grew from Rs. 8.0 Cr in FY25 to Rs. 41.6 Cr in FY26, **~5x growth**

Presence in both Residential and Commercial Segment

Commercial Real Estate segment generates **lease rental income from hospitality and commercial properties**

Delivered 2 residential projects in M.P. namely:

- Karuna Sagar – 822 flats
- New York City – Gated colony

OMT Model: A High-Margin Tollway Collection Business

Operate

Manage day-to-day toll collection, customer service, and electronic systems efficiently

Maintain

Maintenance of adjacent facilities and upkeep of public amenities, including toilet blocks

Transfer

Upon contract completion, toll roads are handed back; while HIL can rebid for viable projects, enabling repeat participation and revenue continuity

COMPETITIVE STRENGTHS

~1,000 Cr Single Project Bid Eligibility

Ability to bid for large-value toll contracts

Low Working Capital Requirement

Minimal capital intensity

Asset-Light Model

Better returns on invested capital

Quick Scalability

Can be replicated across multiple toll plazas with limited incremental investment

Contract Tenure

- Short duration: 30-90 days
- Annual operating: 365 days

- No construction risk
 - Low incremental operating cost
- Delivers Superior Margins**

Traffic growth translates directly into **higher profitability**

EPC Business: Execution Backbone with Selective Growth

BID CAPACITY

Rs. 200–250 Cr

Single-project bidding
qualification

Commercial Buildings | Hospitality Buildings |
Roads and Bridges

End-to-end execution

Contract Mechanism

Projects are executed
primarily through fixed-price contracts
based on which bid is estimated &
executed for the project

Disciplined Bidding Approach

Focused on commercially viable and
executable projects rather than
chasing order book growth

Growth Opportunities

01 Renewables + EV

Renewable-linked EPC opportunities
spanning EV infrastructure, solar
projects and hospitality/commercial
partnerships

02 Key Focus Areas

Actively pursuing EPC work in
MP and UP, and building
projects in Gurgaon

03 Strong Bid Pipeline

Continues to actively pursue
opportunities with a L1
pipeline of over Rs. 60 crore
as on Aug'26

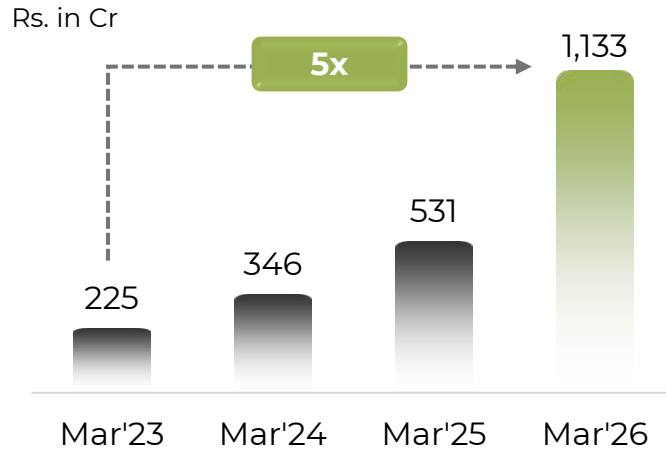

New IT Park

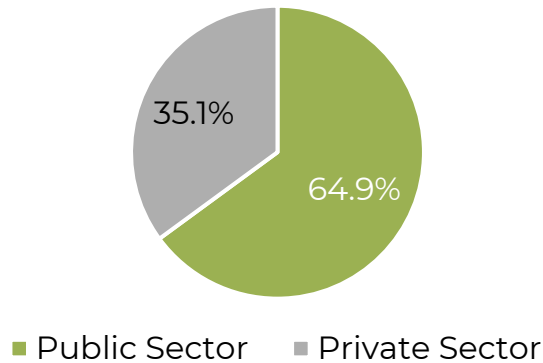

Bridges under PMGSY

Proven Execution Excellence

With Strong Growth in Order Book

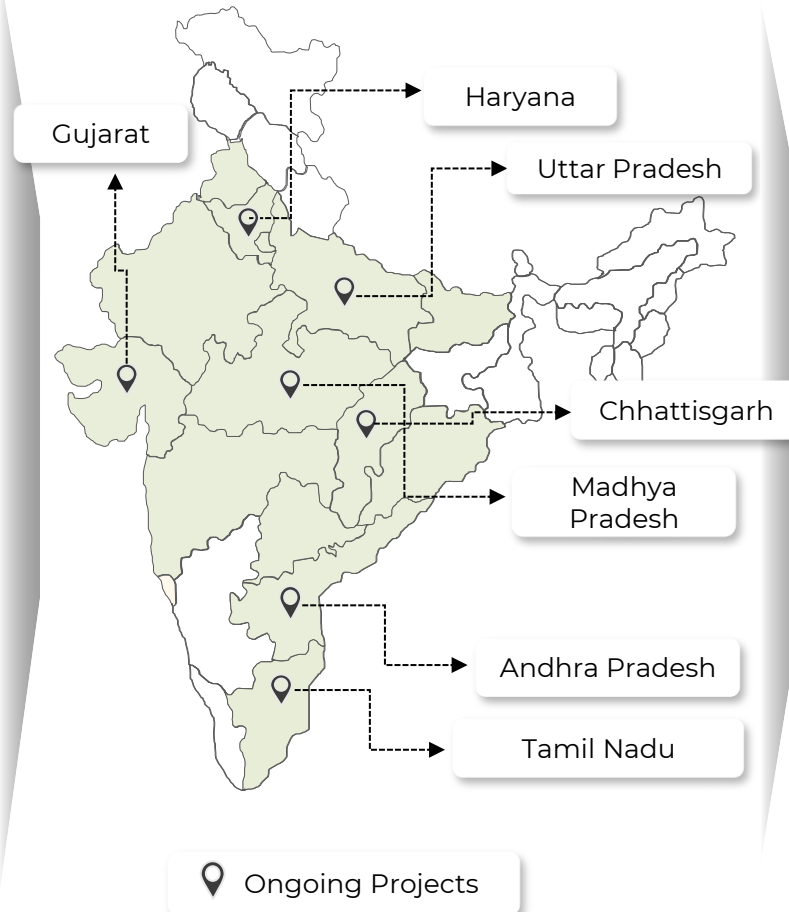

Diversified EPC Order Book with Focus on Government Clients

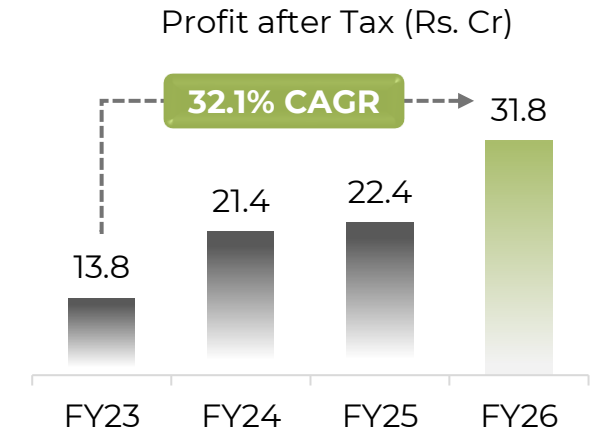

Project Execution Capability Across States

Presence across 11 States & 1 Union Territory

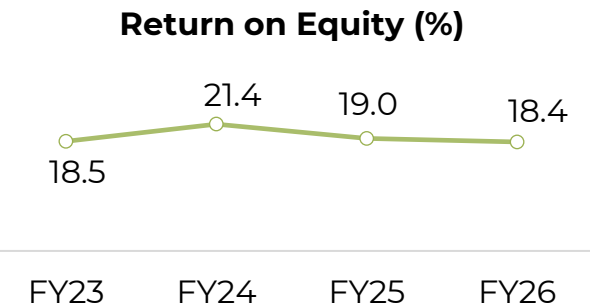

Consistent Growth in Profitability

+

Leading to Healthy Returns

Governed By Experienced Board of Directors

Mr. Arun Kumar Jain
Managing Director

- More than **3 decades** of experience in Infrastructure Industry
- Currently serves as Secretary and Vice President of CREDAI, Indore
- Ex-Chairman of Builders Association of India, Indore

Mr. Anoop Agarwal
Whole Time Director & CFO

- More than **2 decades** of experience in Infrastructure, project selection and execution
- Instrumental in handling projects and coordinating with government bodies

Mr. Riddharth Jain
Director & CEO

- Holds a Master's in Design from the University of Pennsylvania
- Focuses on Company's strategies and advancements

Mr. Vinayak Parkhi
Independent Director

- Qualified Chartered Accountant
- Served as Senior Vice President and Regional Business Head at HDFC Ltd.

Mr. Ujjwal Kumar Ghosh
Independent Director

- Holds a Bachelor's Degree in Civil Engineering
- Worked as Superintendent Engineer at Pachim Kshetra Vidhyut Vitran Company

Mrs. Ritika Agarwal
Independent Director

- Non-Executive Independent Director at HIL
- Qualified Chartered Accountant
- Currently serves as a member of ICAI

Key Managerial Personnel

Mr. Saurabh Mittal
Joint CFO

- **15+ Years** of Experience in Accounting and Finance
- Qualified Chartered Accountant

Ms. Palak Rathore
CS & Compliance Officer

- Bachelor's Degree in Law and Qualified CS

Our Key Growth Strategies

Driving Growth Through Adjacent Infrastructure Verticals

- Focus on traffic-driven corridors to maximize toll collections
- Bid selectively for larger EPC projects, either independently or through joint ventures
- Renewable energy projects to be one of the key focus in EPC Infra segment

Strong Order Book Fuelling Revenue Growth

- Order book grew by 113% YoY from Mar'25 to Mar'26, providing revenue visibility
- Strategic positioning towards development of EPC projects

Selectively Expand our Geographical Footprint

- Expanding presence in high-growth states like **Gujarat, Rajasthan, North-East and various other regions** to diversify the project base
- Strategically expand into new regions to diversify project portfolio and reduce concentration risk and delve into new models of infra development

Disciplined Balance Sheet

- Improving the debt-to-equity ratio creates headroom for future growth
- Improving return ratios through efficient capital deployment

1. Driving Growth Through Adjacent Infrastructure Verticals

Commercial Leasing and Real Estate Monetization

- Lease rentals from company-owned land developed for commercial activities
- Earning from rental properties such as hotels, restaurants, etc.
- Explore partnerships for new ventures (hospitality, commercial centers)

Ancillary services alongside Toll Projects

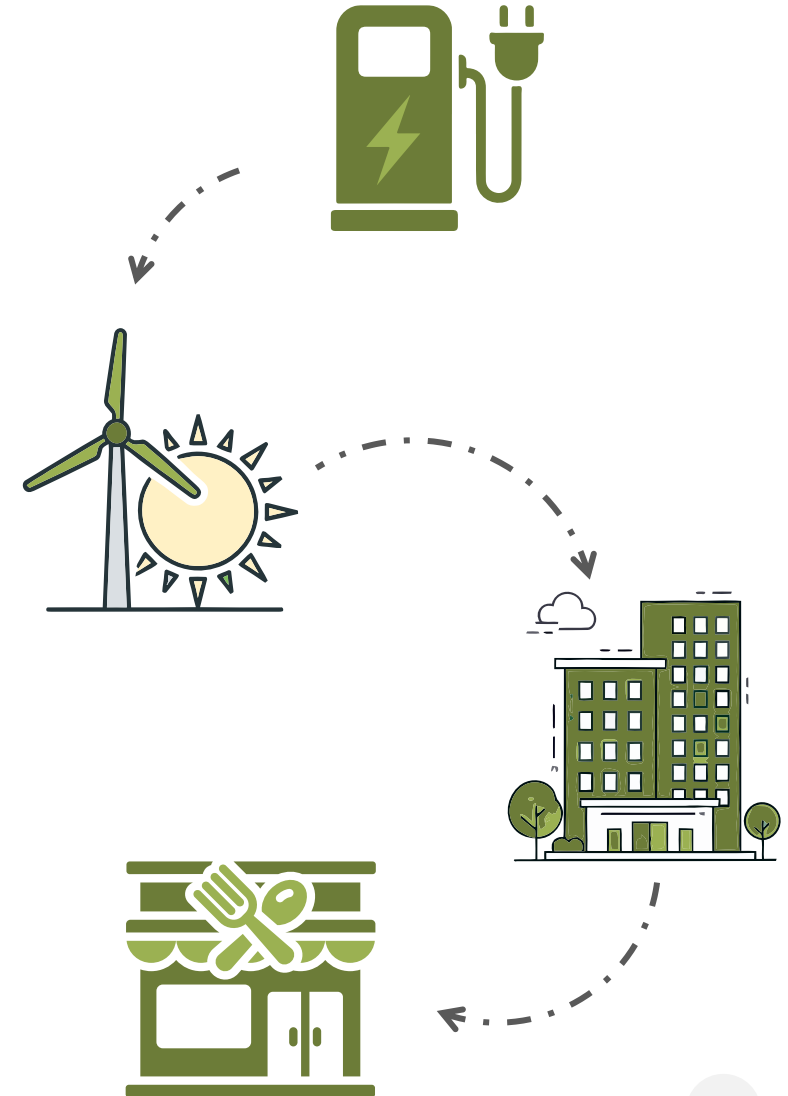

- Food courts, Retail shops
- Fuel stations, Vehicle repair
- Parking, Toilets with shower facility
- Driver dormitory
- Childcare rooms
- Village haat for local handicrafts
- Warehousing

Diversification into Other Road and Mobility Projects

- Ropeways (cable-based transport for passengers and goods)
- Evaluating opportunities in HAM projects

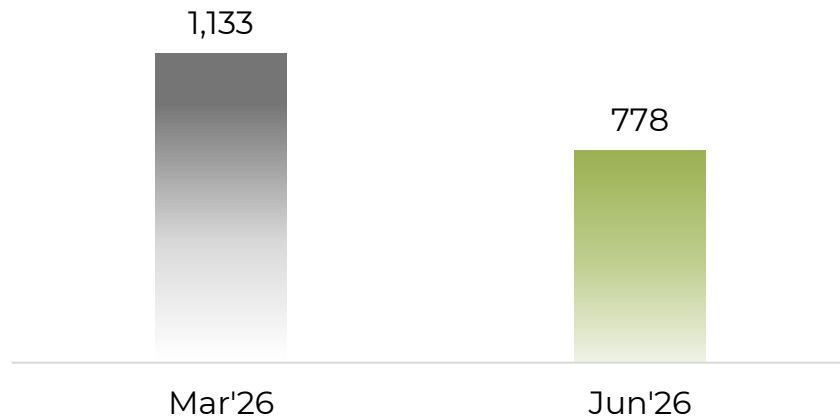

Exploring Opportunities in Renewable Segment

- Electric Vehicle Charging Facilities
- EPC Infra Renewable energy projects, solar, etc.

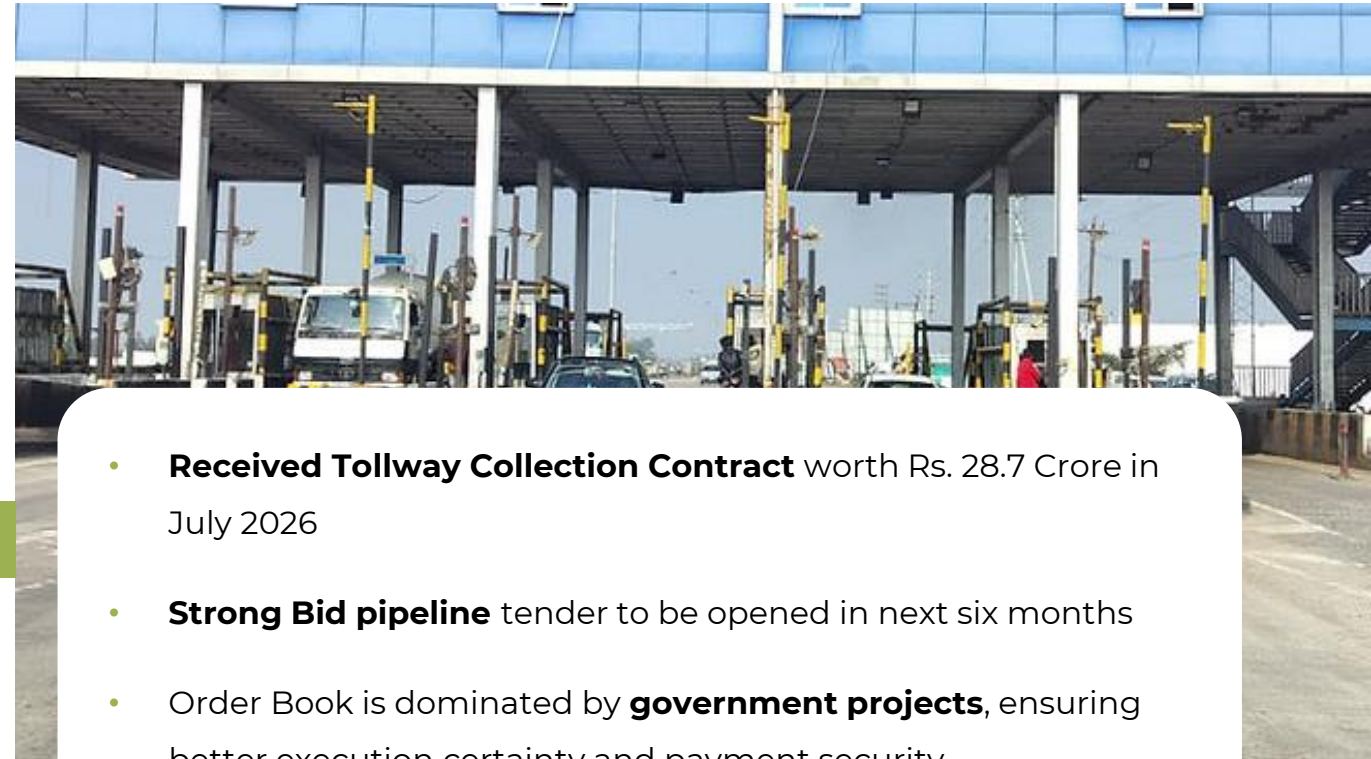

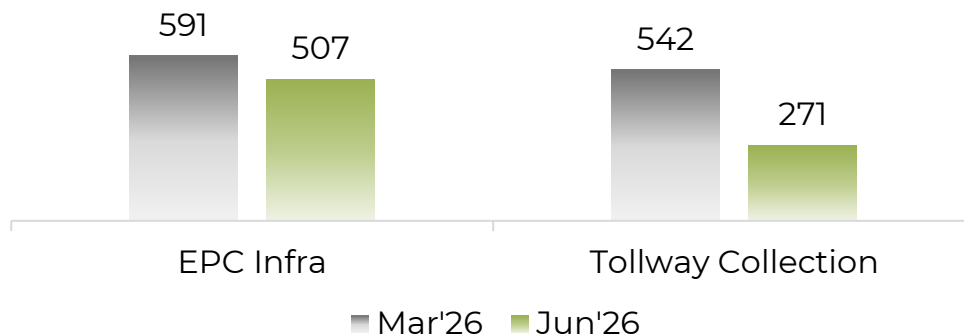

2. Strong Order Book Fuelling Revenue Growth (1/3)

Strong Order Book (Rs. Cr)

Diversified Order Book (Rs. Cr)

Growth in Order Book across Segments

- **Received Tollway Collection Contract** worth Rs. 28.7 Crore in July 2026
- **Strong Bid pipeline** tender to be opened in next six months
- Order Book is dominated by **government projects**, ensuring better execution certainty and payment security
- Plan to maintain a **balance mix** of EPC and Tollway projects to diversify cash flows, supporting sustained revenue growth

2. Strong Order Book Fuelling Revenue Growth (2/3)

Promising Industry Opportunities for HIL (1/2)

MoRTH Budget for National Highways (Rs. Lakh Crore)

Key Drivers for Growth

Allocated Rs. 3.10 Lakh Crore

The government has allocated **Rs. 3.10 lakh crore** to the Ministry of Road Transport and Highways, under the Union Budget 2026-27, up by 8.0% YoY

Accelerated Development of Highways

NHAI has been allocated Rs. 1.87 lakh crore for FY27. The funds will support the development of national highways, expressways and greenfield access-controlled corridors

3,906 Projects Under NIP

Under the National Infrastructure Pipeline (NIP), roads and bridges are a key focus with **3,906 projects** under development

Government Schemes

- Bharatmala Pariyojana- Target 34,800 Km under Phase 1
- National Highways Development Project to enhance connectivity

Strong Momentum in Expansion of Roadways

Higher Allocation for Road Infrastructure: Allocation for road works has been increased to Rs.1.22 lakh crore in FY27, compared with Rs.1.16 lakh crore in FY26. The enhanced outlay covers national highway construction as well as investments in logistics park, ropeway and last-mile connectivity projects

Highway Construction Exceeds FY25 Target: In FY25 ~5,614 km of National Highways were constructed against a target of 5,150 km

Expansion of Expressway Network: The Ministry of Road Transport and Highways sanctioned 9,000 km of expressway projects and plans to award another 10,000 km during 2025-27

Six New National Highways approved in Madhya Pradesh: Six National Highways covering around 670 km have been approved, connectivity boosting connectivity and industrial growth

EPC Opportunities in Madhya Pradesh: The Union Minister for Road Transport and Highways announced infrastructure projects worth Rs. 60,000+ crore in Madhya Pradesh

Promising Industry Opportunities for HIL (2/2)

Industry Updates

India's Toll Revenue Set to Double: India's toll collection is projected to surge from Rs. 55,000 crore to Rs.1.4 lakh crore within 2 years, driven by massive highway expansion, wider toll coverage, FASTag adoption, rising traffic, and PPP-led infrastructure development.

Government Push for Seamless, Leak-Free Toll Collection: Government plans to make highway use seamless and reduce leakages for toll operators by introducing Multi Lane Free Flow (MLFF) toll collection by end of 2026.

Key Drivers for Growth

Technological Advancements enhance user experience, reduce congestion, and increase revenue collection

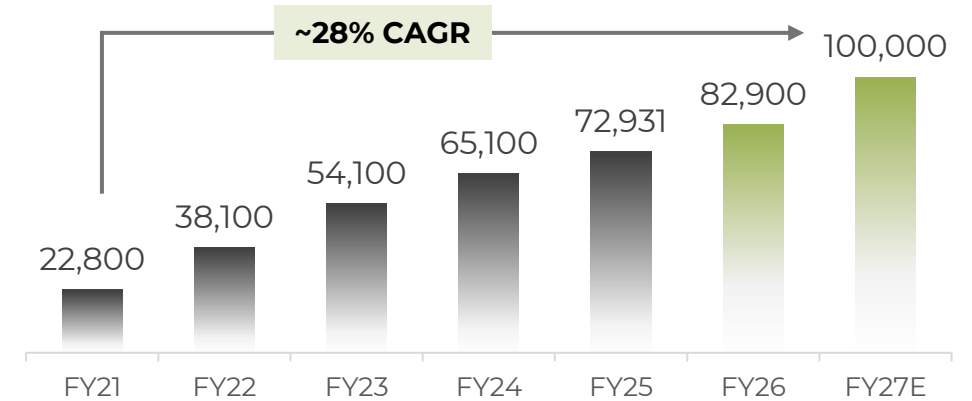

Rapid urbanization and population growth result in increased vehicular traffic

Supportive government policies, regulatory frameworks, and initiatives to streamline toll operations facilitate industry growth

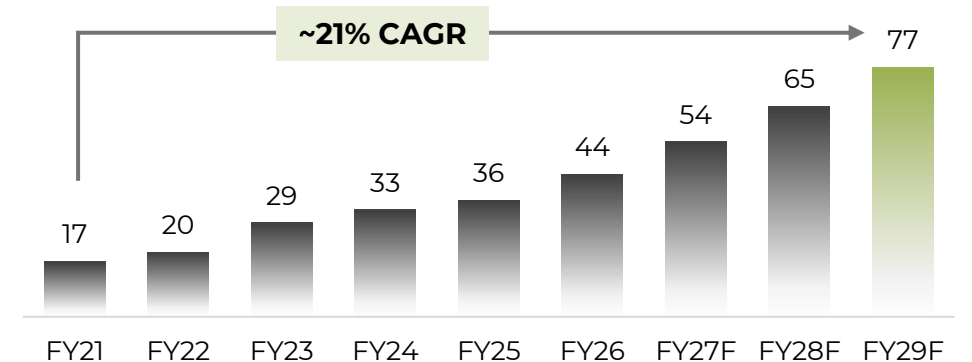

Ongoing Infrastructure Development of national highways, expressways, and bridges, create opportunities for toll collection
