Highway Infrastructure Ltd Receives LOA worth ~Rs. 25 Crores for Toll Operations Contract by NHAI

Madhya Pradesh, India 14 October 2025: Highway Infrastructure (“HIL”), an integrated infrastructure development and management company with strong capabilities across Toll Operations, EPC Infrastructure and Real Estate, is pleased to announce that it has received the Letter of Acceptance (LOA) from the National Highways Authority of India (NHAI). The contract pertains to the operation of **user fee collection and upkeep of facilities on a section of the Eight-lane Access Controlled Expressway between Laban Village (Bundi District) and Gopalpura Village (Kota District), Rajasthan, covering Km 337.171 to Km 417.810 under packages 12 to 14 of the Delhi–Vadodara Expressway (DVE).**

The LOA valued at **Rs. 25.26 crores** was received on **October 13, 2025**, through a competitive e-tendering process. The scope of project involves **toll fee collection, operation and maintenance of adjoining amenities, including toilet blocks and consumable replenishment, for a period of 90 days.**

***Speaking on the development Mr. Arun Kumar Jain, Managing Director, Highway Infrastructure Limited said:** “We are pleased to received LOA by NHAI for tolling and maintenance operations on one of India’s key access-controlled expressways. This will further strengthen our position in the toll management segment and reflects our consistent execution track record across national highway projects. With our robust order book of Rs. 778 crores we remain well-positioned to deliver sustained growth and value creation.”*

About Highway Infrastructure Limited

Incorporated in 2006, Highway Infrastructure Ltd is a leading infrastructure development and management company with diversified operations across tollways collection, EPC projects, and real estate. Operating in 11 states and 1 Union Territory, the company leverages advanced technology for efficient toll operations and high-quality project execution. Guided by an experienced leadership team led by Mr. Arun Kumar Jain, Highway Infrastructure has built a strong track record of project delivery and operational excellence. With a robust order book and a growing project pipeline, the company is strategically positioned to capitalize on emerging opportunities in India’s infrastructure and urban transport sectors.
