Encl: As above.

Highway Infrastructure Limited Secures Rs. 28.69 Crores Toll Operations

Contract from NHAI

Madhya Pradesh, India 24 July, 2026: Highway Infrastructure ("HIL"), an integrated infrastructure development and management company with strong capabilities across Toll Operations, EPC Infrastructure and Real estate, is pleased to announce that it has received a **Letter of Acceptance (LOA)** valued at **Rs. 28.69 crores** from the **National Highways Authority of India (NHAI)** for the **operation and collection of user fees at the Kozhinjipatti Fee Plaza located on the Dindigul–Samayanallur section of NH-44 in Tamil Nadu.**

The scope of the contract includes toll collection operations along with the upkeep and maintenance of adjacent facilities, including recouping consumable items, over a period of 90 days. Positioned on the Dindigul–Samayanallur stretch of NH-44, the Kozhinjipatti Fee Plaza benefits from its strategic location on India's longest national highway. The corridor provides critical connectivity to Madurai and southern Tamil Nadu, serving a diverse mix of passenger, freight and tourism traffic, thereby supporting sustained tolling activity.

Beyond strengthening HIL's operational portfolio, the contract enhances revenue visibility and expands the company's geographic footprint in South India. With a proven execution track record across multiple states, the Company remains well positioned to capitalize on opportunities arising from India's expanding road infrastructure sector.

Speaking on the development, Mr. Arun Kumar Jain, Managing Director, Highway Infrastructure Limited said: "We are pleased to secure this toll operations contract from NHAI, for the Kozhinjipatti Fee Plaza, a strategically located asset on the Dindigul–Samayanallur section of NH-44, India's longest national highway. This contract further strengthens our tollway collection portfolio and reflects the confidence that leading infrastructure authorities place in HIL's execution capabilities. This award enhances our revenue visibility and marks another step forward in building a scaled and diversified toll operations platform across India.

Our focus remains on expanding presence across key national corridors, strengthening our operating capabilities, and building a diversified portfolio of high-quality mandates. With sustained investments in India's road and highway infrastructure, we believe HIL is well positioned to capture emerging opportunities in toll management and related infrastructure services. We remain committed to disciplined execution and creating sustainable long-term value for our shareholders."

About Highway Infrastructure Limited

Incorporated in 2006, Highway Infrastructure Ltd is a leading infrastructure development and management company with diversified operations across tollways collection, EPC projects, and real estate. Operating across 12 states and 1 Union Territory, the company leverages advanced technology for efficient toll operations and high-quality project execution. Guided by an experienced leadership team led by Mr. Arun Kumar Jain, Highway Infrastructure has built a strong track record of project delivery and operational excellence. With a robust order book and a growing project pipeline, the company is strategically positioned to capitalize on emerging opportunities in India's infrastructure and urban transport sectors.
