Respected Sir,

Pursuant to Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), and with reference to our submission dated October 21, 2025 & October 22, 2025, regarding the fire incident at our wholly owned subsidiary, Samsara Recycling Private Limited ("the Company"), we would like to share a constructive update for our stakeholders. Due to a fire incident, the company had closed down the production process at the plant located at Kukadsar Village of Kachchh District. At present, the Company has completed the repair, restoration and reinstallation of all affected machineries, equipments, and building at the said plant.

Further, we are pleased to inform that the Gujarat Pollution Control Board issued the Revocation Order of the Closure Order issued earlier due to the fire incident and permitted the Company to resume operations at the plant. The company shall commence regular manufacturing and operational activities at such Plant from 18th May, 2026 onwards.

Request you to take the same on record.

Yours Faithfully.
