Respected Sir,

With reference to our notification dated October 21, 2025, regarding the fire incident at our wholly owned subsidiary, Samsara Recycling Private Limited, we would like to share a constructive update for our stakeholders that:

- With the proactive measures of Samsara's internal fire safety systems and the rapid response of the local fire department, the fire has been successfully brought under control.
- There were no casualties or injuries among our personnel, ensuring the well-being of our team during this challenging event.
- Fire impacted mainly stock of raw materials and finished goods. While there were no serious damages to the plant & machinery and factory building. Our dedicated team is fully committed to carrying out a comprehensive evaluation of the situation, ensuring we can facilitate a swift and effective recovery.
- We want to assure our stakeholders that all assets of the Company are fully insured, and we have promptly informed our insurance provider about the incident.
- The Samsara Recycling Private Limited plant, located at Survey No. 64/1, Village Kukadsar, Kachchh, Gujarat, 370410, will remain temporarily closed while we work diligently on restoration efforts. In the meantime, we are actively engaging a third-party manufacturer to ensure that we continue to meet our customers' orders and maintain our service commitments.

Hi-Green Carbon Limited

- We appreciate your understanding and support as we navigate this situation and work toward a full recovery.

The Company is working diligently to restore operations at the plant mentioned above as quickly as possible. Management at Samsara Recycling Private Limited is confident that the fire incident will not have any significant long-term effects on the Company's operations or financial performance.

We, Hi-Green Carbon Limited, would like to inform our stakeholders that the fire incident at the plant of our subsidiary company, Samsara Recycling Private Limited, which is engaged in the procurement of waste tyres and the production of crumb rubber and chips from these tyres, has not impacted the operations of our plants located in Bhilwara, Rajasthan, and Dhule, Maharashtra. The operations and financial performance of Hi-Green Carbon Limited remain unaffected by this fire incident.

Request you to take the same on record.

Yours Faithfully.

For, Hi-Green Carbon Limited

Amitkumar Bhalodi
