Dear Sir/Madam,

With reference to the aforementioned subject and our previous correspondence, we kindly request you to enable the functionality on the NEAPS portal that would allow us to upload the revised XBRL file for the submission of unaudited standalone financial results for the quarter and six months ended September 30, 2024. This revision would exclude the segment results, ensuring alignment with the PDF version of the results that was submitted earlier.

In this regard, we further inform that the revised XBRL has been already submitted on the BSE Listing Centre in response to their query on the same subject.

Request your cooperation in this regard.

Yours sincerely
