Dear Sirs,

Sub: Intimation under Regulation 30 of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

This has reference to our letter dated 10th April, 2019 where we informed you that operations of the Alumina Plant of the Company situated at Muri, Jharkhand, were suspended due to spillage in the red mud cake storage area.

This is to inform you that **Muri refinery in Jharkhand has re-started production of Alumina.** The Plant had initiated the start-up process after receiving the Consent to Operate from the Jharkhand State Pollution Control Board (JSPCB). Going forward, the Company may not need to import Alumina.

This is for the information of your members and all concerned.

Thanking you,

Yours faithfully,

For **Hindalco Industries Limited**
