## Bengal to hand over 40-acre Uttarpara plot to Titagarh rail on 99-year lease

Debashis Konar

@timesofindia.com

**Kolkata:** A Bengal cabinet meeting, chaired by CM Mamata Banerjee on Monday, decided to hand over a 40-acre plot of contiguous land at Kotrung and Bhadrakali in Hooghly's Uttarpara to Titagarh Rail Systems Ltd (TRSL).

TRSL would use the land to enhance its production capacity and for testing of Metro and Vande Bharat coaches.

The plot is part of the land of Hind Motors, which Bengal had acquired, and would now be given on a 99-year lease to TRSL. Banerjee had announced in 2023 that the unused land of Hind Mo-

tors would be reclaimed for industry as the erstwhile carmaker was not doing any activity there.

The land parcel, located adjoining the existing 34-acre manufacturing unit of TRSL, would be strategically

important for the Bengal-based rolling stock manufacturer. An official said it would help TRSL establish infrastructure for extra production and set up dedicated areas for testing and commissioning of new coaches and trains. It would also help in ensuring safety validation, including dynamic and running tests of all trains before delivery, the official added.

Prithish Chowdhary, deputy MD of TRSL, said with this land parcel, their total area would be 74 acres. "We are working on fresh investment plans for testing track and other facilities here," he added.

TRSL, in collaboration with Bharat Heavy Electricals Ltd, had unveiled the production line for Vande Bharat sleeper trains at its manufacturing facility in Uttarpara earlier this year. The production line was set up after TRSL bagged a contract from the Indian Railways to manufacture 80 such train sets under a consortium.

With production now un-

derway at the Uttarpara plant, the prototype Vande sleeper trains are expected to roll out in 2026.

The plant has an annual capacity of manufacturing 300 coaches, which is being scaled up to 850 to meet the increasing demand.

"The total value of the project stands at around Rs 24,000 crore, including long-term maintenance of 35 years. The sleeper variant of Vande Bharat will be India's first long-distance, semi-high-speed train offering fully indigenous design, superior passenger comfort and cutting-edge safety features," TRSL vice chairman and MD Umesh Chowdhary had said earlier.

Dear Sir

As you are aware, the captioned matter was listed before the Hon'ble Supreme Court of India on 24 June 2025. Prior to the aforesaid date of listing, it was in principle agreed amongst us and your standing counsel that joint request for adjournment be made on 24 June 2025 on account of non-availability of Senior Counsel. Accordingly, an application for adjournment was filed with the Registry of the Hon'ble Supreme Court of India on 21 June 2025 upon receiving consent from your standing counsel. The adjournment was sought for a period of three weeks, i.e., till the date of re-opening/resumption of regular Court proceedings. Accordingly, our Special Leave Petition was adjourned on 24 June 2025 in terms of the letter of adjournment. The whole basis of such adjournment was that until the matter is heard by the Hon'ble Supreme Court of India, no further action for resumption of the subject premises will be taken.

We are surprised to note that today, i.e., on 11 July 2025 you have initiated the process of resumption of the subject premises and are also seeking to create third party rights thereupon. Significantly, no notice for today's resumption was given to us and your action today has come as a total surprise when the matter is scheduled to be taken up by the Hon'ble Supreme Court upon reopening next week.

This has caused considerable prejudice to our challenge which is currently pending before the Hon'ble Supreme Court of India. We have also informed your Standing Counsel with regard to our discussions and the subsequent developments vide an email dated 11 July 2025, a copy whereof is disclosed herein for your ready reference.

In such circumstances, we would request you to restrain from taking any adverse action including creating any third party right and/or interest vis a vis the subject premises at Uttarpara till such time our Special Leave Petition is heard.

Please note that we are taking steps to mention our Special Leave Petition on 14 July 2025 before the Hon'ble Supreme Court of India.

This is for your information and record.

Yours faithfully

Dear Sir

As you are aware, the captioned matter was listed before the Hon'ble Supreme Court of India on 24 June 2025. Prior to the aforesaid date of listing, it was in principle agreed amongst us that we shall be jointly seeking an adjournment on 24 June 2025 on the ground of non-availability of Senior Counsel and that the State of West Bengal would abstain from taking coercive steps in the absence of any pressing urgency.

In view of our discussion and upon receipt of your consent, we filed an application for adjournment with the Registry on 21 June 2025, seeking an adjournment for a period of three weeks, i.e till the date of re-opening/resumption of regular Court proceedings. Accordingly, our matter was adjourned on 24 June 2025.

Despite our agreement, we are surprised to note that today, i.e 11 July 2025, the State of West Bengal has initiated the process of resumption of our land and is also trying to create third party rights. Such action will cause severe ramifications to our challenge pending before this Hon'ble Court

In such circumstances and in view of our discussions, we would request you to instruct your client not to take any adverse steps till our Special Leave Petition is heard. Please note that we are taking steps to mention our Special Leave Petition on 14 July 2025.

Even otherwise, the next date of listing on Case Status is 22.07.2025 and any precipitative action before hearing will amount to overreaching the process of Court

is for your information and record.
