**Sub.: HPCL and ADNOC Gas signs Sale
Purchase Agreement for supply
of LNG on long term basis**

Dear Sir(s),

Pursuant to the requirements of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR), we wish to inform that Hindustan Petroleum Corporation Limited (HPCL) and Abu Dhabi Gas Liquefaction Company (ALNG), UAE have signed a Sale Purchase Agreement (SPA) for procurement of Liquefied Natural Gas (LNG) for a 10-year term. ALNG is a subsidiary of ADNOC Gas, which is a world-class, large-scale integrated gas processing and sales company operating across the gas value chain.

Under the terms of this SPA, HPCL will receive LNG at it's 5 Million Tonne per annum LNG Storage and Regasification Terminal at Chhara, Gujarat. The supplies under this agreement will support the requirements of it's own Refineries, City Gas Distribution (CGD) network and Gas demand across key sectors like Fertilizers, Power, Petrochemicals and other Industries, thus meeting the nations growing and evolving energy needs.

This agreement between HPCL and ALNG underscores the deepening economic ties between India and UAE, emphasizing the role of LNG in supporting India's energy transition. The supply under this agreement marks a significant milestone in India's energy security and HPCL's commitment to cleaner energy transition.

This is for your information and record.

Thanking you,

Very truly yours,

Rakesh Kumar Singh
Company Secretary
