Dear Sir(s),

Pursuant to the requirements of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR), we wish to inform that Hindustan Petroleum Corporation Limited (HPCL) and ADNOC Trading have signed LNG Trading Supply Agreement. This Agreement marks a significant step in the strategic partnership between the two organizations, fostering energy security and sustainability.

The LNG will be received at recently commissioned Chhara LNG Terminal of HPCL LNG Ltd., a wholly-owned subsidiary of HPCL, to meet captive demand of HPCL and also for marketing to other downstream customers. Presently, Chhara LNG Terminal has regasification capacity of 5 MTPA with gross storage capacity of LNG 400,000 Cu.M. in two equal sized LNG tanks.

This agreement between HPCL and ADNOC Trading underscores the deepening economic ties between India and the UAE, emphasizing the role of LNG in supporting India's energy transition. The partnership positions ADNOC Trading as a key supplier for HPCL, enabling the Indian energy major to diversify its supply portfolio and secure long-term energy solutions.

This is for your information and records.

Thanking you,

Very truly yours,

V. Murali
Company Secretary
