**Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Sale of Plant**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), and in continuation to the outcome of the Board Meeting dated November 06, 2025, we hereby inform that the Board of Directors of the Company had approved the proposal for sale of the Company's manufacturing facility located in Dehradun, Uttarakhand.

The said unit was established in 2008 for the manufacture of rectifiers, inverters, and single-phase transformers. The plant has remained non-operational since July 2023 due to product obsolescence. All machinery, except for a distribution transformer, has since been shifted to other units or disposed of, and the facility currently holds no operational equipment.

The Board considered various operational and economic factors, including lack of skilled manpower, insufficient infrastructure, and the absence of any foreseeable business requirement to restart operations at the Dehradun location. After evaluation, the management recommended the disposal of the facility. The indicative sale value of the property is estimated to be in the range of **Rs. 8.50 crore to Rs. 9.50 crore**.

We further wish to inform that the agreement for the sale of the said facility is executed on 04 December 2025 at a price of Rs 9.50 crore.

The sale of the facility will not have any adverse impact on the ongoing operations or product supply commitments of the Company, and business continuity will continue to be maintained through other operational plants.

Further, the sale of this property does not constitute as an undertaking or substantially the whole of the undertaking of the Company in terms of section 180(1)(a) of the Companies Act, 2013.

The requisite details of the said transaction, as per SEBI Master Circular SEBI/HO/CFD/PoD2/CIR/P/0155 dated are enclosed herewith as **Annexure - I**.

Kindly take the same on your records.
