Press Release

For Immediate Publication

### **Hirect Secures First Order from the United States for Traction Motor Assemblies**

HIRECT has secured its **first order from the United States for Traction Motor Assemblies**, marking its initial entry into the U.S. market and further advancing the Company's efforts to expand its international presence. The order is scheduled for delivery during **FY27**.

The development establishes a foundation for expanding customer relationships and pursuing additional opportunities in the U.S. market. It also reinforces HIRECT's long-term strategy of gradually expanding its international footprint through sustained engagement with customers across global markets.

As HIRECT continues to strengthen its international presence, the Company remains focused on leveraging its engineering expertise, manufacturing capabilities and strategic global partnerships to expand its reach and create new growth opportunities over the long term.

**About Hirect Limited (Formerly known as Hind Rectifiers Limited):**

Hirect Limited was established in 1958 in partnership with Westinghouse, Brake & Signal, UK, it has grown over the past 66 years to become a major player in the engineering and manufacturing sectors. HIRECT operates with a workforce of 950 employees spread across two manufacturing plants located at Nashik and Bhandup in India. The company exports its products to over 30 countries and has offices located in India, Sweden, and the UAE.

HIRECT is renowned for designing and manufacturing a wide range of power electronics equipment, including Power Converters, Control Electronics, Transformers, Rectifiers, Inverters, Motors, and HVAC systems. These products serve a variety of sectors, including Railways, Defence, and industries such as Power, Hydrogen, Steel, Cement, Chemical, and Paper, among others. The company is recognized for its quality and innovation in providing solutions for both industrial and transportation applications.
